The reports received recently by the director of experimental farms from the Northwest and British Columbia are most encouraging.

News has been received at Ottawa of the drowning of two Englishmen named Church in the Athabasca River. The men belonged to a prospecting party. The Lakme has arrived at Seattle from St. Michaels, with 100 passengers, and gold dust estimated at \$250,000, in addition to drafts representing a large

All Suspected of Being the Murderer of P. C. Tochey, Have Been Arrested to Date.

Notwithstanding the many reports in circulation regarding the whereabouts of the peg-leg murderer of P. C. The photograph of the tramp arrested at Three Rivers, Mich., has been received here, and he is evidently not the man wanted. Tramps have also been arrested west of Michigan, and will be held pending further communication.
