# OBSERVING FEAST OF THE PASSOVER

Most Important in the Jewish Calendar-Begins Today

at Sunset.

The Feast of the Passover, the most jail there important in the Jewish calendar, begins this evening at sunset. Wherever there are sons of Abraham throughout the land they celebrate the departure. of Israel out of Egypt, when they are of the western asylum, but in any which neither salt nor anything but water and flour entered. This means that there are over 200 Hebrews in the city who will celebrate the feast for the next eight days. In the Yiddish the feast is called 'Pasach," and the bread which is par- Brown's Bronchial Troches

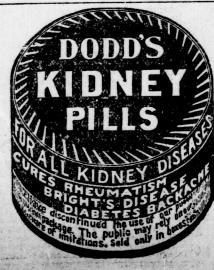

taken of is called "Matze." Tonight give i is Seder night, and the father of each boxes. home will read the story of the pass- Sheep

The first two days of the feast and the last two will be observed by service which will be held in the synagogue at intervals.

The next four days of the eight will be what are called "workable" days.
If a man cannot leave his business for the whole period he is allowed to continue his business, but those who can afford it are expected to do nothing. The larders are well stocked with fine wine, the choicest fowl and all manner of fruits and vegetables. The first service is held tonight at the Jewish synagogue on Richmond street, nd it is expected that there will be arge attendance. There are 35 Jewish households in the city, and they are not small families, and besides these there will be many present from small laces and from the surrounding coun-

A great amount of unleavened bread is shipped into London each year, a family taking from 40 to 50 pounds. The last two days of the Pasach are elebrated in the same manner as the irst two and the feast ends at sunset of the eighth day.

The strawberry box bottom comes igh, but we must have it.
