HARRIMAN GUILTY

Railway King Blamed for Graft Conditions at San

Francisco.

Philadelphia, Jan. 3. - At a lunch eon of the City Club today Francis J. Heney, of San Francisco, who prosecuted the "graft" cases in that city declared that E. H. Harrimon, of New York, through his control of the Southern Pacific Railway, was responsible for the "graft" and corruption that has been found in the Golden Gate city. With Abe Ruef and Harriman was linked the head of the United Railways Corporation of San Francisco by Mr. Heney, but the real boss, he said, sits in New York, and has as one of his chief agents in California,

W. F. Herrin, general counsel of the Southern Pacific Railroad. "In this unholy alliance the boss" was the connecting link, but he was simply the agent of the real boss-the big businessman who wanted to exploit the public service corporation, The political boss was really the small duck in the pond. Behind him was the public service corporation and the

Southern Pacific Railway. "According to my deduction, the head of the legal department of the Southern Pacific Railroad, W. E. Herrin, was the boss behind the apparent boss. But I am convinced that Herrin was, after all, the tool of the actual boss-Harriman." For a moment the auditors sat dazed

by the daring character of this indict. ment, then burst into prolonged ap ? plause. Heney went on. "What is the remedy for this corruption in municipal life? We have voted ballots that the boss could see all these years. We could no give time to think out our problems, but went away to Australia to find a method for the ballot. Why did we not think this out? Simply because the
