GREAT PLAN TO ASSIST DOWN AND OUT PLAYERS

President Johnson Will Bring Scheme to Attention of the National Commission.

IBy Associated Press.1 Detroit, June 8 .- President Frank

that when Ban Johnson, president of the American League, was down here last week, he proposed an elaborate plan for aiding "down and out" ball players, which was approved by the American League president, and steps have been taken to put it into operation.

Navin's proposal, he says, was inspired by the present difficulties of Adrian C. Anson, of Chicago.

The game to be advertised as a benefit thus increasing the receipts. That the fund be administered by the National commission, Each case to be investigated on its merits. be investigated on its merits. Deal With Individuals.
All cases to be attended to individually instead of establishing a baseball play-

the tentative scheme send a monthly check to the beneplayers of the teams completing the benefit fund will be asked to con-tribute small sums. President Johnson thought \$50,000 a year could be raised by this means. He will bring it before the National commission. It is consid-ered advisable that other leagues under the National commission will join in

FLANAGAN, OF TORONTO, MAY BE JOHNSON'S BOSS

Canadian, Who Is Looking After the Negro's Roadwork, Springs Into Prominence.

Billy Nolan, many are asking if Jack Johnson's latest managerial move will

prove to be only a temporary one. According to the latest announcement of the negro champion, Tom Flanagan, of Toronto, Ont., who has come into prominence as the developer of longdistance runners, and who is in charge of Johnson's road work, will be a sort of near-manager for the fighter.

"He will help me to manage my business affairs until July 5," runs Johnson's statement, and he says he is sorry that Flanagan cannot remain with him longer, but that personal affairs will take the runner to Canada immediately after the big fight.

Light on the reason of Billy Nolan's hasty relinquishment of the job of managing the negro, was shed last night by Promoter Tex Rickard who stated he urged Johnson in the interest of harmony not to take Nolan into camp. harmony not to take Nolan into camp, and that Johnson gave his word that he would find some other than Nolan to do the work. Nolan takes Johnson's announcement regarding Flanagan quite

Deposed Manager of Jack Johnson Declares He Will Have His Rights.

NOLAN IS NOT IN CHARGE

Big Negro Apparently Is Satisfied to Transact His Own Affairs.

San Francisco, June 7 .- The managerial troubles of John Arthur Johnson, cham--7 pion heavyweight of the world, at present eclipse the importance of the big fight. Jack has it that the unpleasantness is merely a tempest in a teapot, and that all will be serene out at the Seal Rock quarters within a few days. George Little, deposed manager of Johnson, will not have it this way, and he swears that he will have his rights whatever they may be. Little has re-tained counsel to fight his battle for him and will take Johnson into court. Little opines he has a contract as impregnable against the whims of Johnson as Gibraltar would be against the ties of a
