

CASES OF WINE HAIL BOUCHARD TO COURT

Port Stanley Man Remanded—Thought "Claret" of Temperance Variety.

When Edward Bouchard of Port Stanley read an advertisement for wine purporting to be of the temperance variety, he forwarded an order for two cases. The wine was shipped to London, and Bouchard took it to his home at the lakeside. On the way there he was apprehended by police and charged with having liquor in other than a private dwelling.

This morning in police court Bouchard explained that he thought the wine was under 2½ per cent. Two bottles of the stuff were passed on the magistrate's desk, marked "Claret".

His worship asked Bouchard if he wished the wine analyzed. The latter, who is a Frenchman, could not be made to understand, and the court remanded him a day so the strength of the wine could be determined. When the decision was announced, the prisoner, apparently thinking he had been sentenced, grew indignant, but looked relieved when the case was explained to him.

This Article Will Interest Every Mother!

Toronto, Ont.—"Dr. Pierce's Favorite Prescription is the greatest help in motherhood of any medicine I have ever known. I am the mother of six children and I suffered greatly each time, except the last one, when I was advised to take Dr. Pierce's Favorite Prescription, which I did and I got along just fine; felt well and strong and had practically no suffering, and had a grand baby, that has always been very healthy. I regained my strength very quickly afterward. I was so thankful to have been advised of this medicine, it gave me such wonderful help."

Health is of vital importance to every mother. Do not neglect the most valuable asset you have. Get this Prescription of Dr. Pierce's from your neighborhood druggists in tablets or liquid, or send 10 cents for trial package to Dr. Pierce's Laboratory in Bridgeburg, Ont.—Adv't.
