A heavy land silde occurred at Monte Carlo to-day. An immense mass of rock and earth sild down and now entirely block the railway and carriage road. Trains from Cannes and Mentone well laden with courists had mervellous escapes from destruction. from Cannes and Mentone well laden with tourists had mervellous escapes from destruction, getting over the tracks just in time to avoid annihilation. The land fall will stop ratiway communication with Monte Carlo for 24 hours.

Cable Notes.

Herr Kable, Protestor delegate from Strasburg in the Reichstag, is dead. It is learned from trustworthy sources that Mgr. Galemberte is to be made a Car-dinal and appeared Secretary of State to the Vatican.

gradually gained on the fisherman, and a clamk shot was fired from her six pounder of the fisherman to. He refused to respond, and kept on his course, and in a short time was over the line and safe from

A Mine Disaster.

Tuscarora, Nev., April 7.—The hoisting works of the Nevade mine were completed a box of giant powder that had been placed near the boiler to thaw. The boiler also exploded. Five men were seriously injured—A.D. Russell, foreman of the mine, it is believed fatally. The pumping machinery was destroyed and the mine flooded. The North Belle Isle mine and others adjeining are also filling with water. It will be three months before new works can be consinuated and work resumed.

The P. E. I. Tunnel Scheme.
Charlottelowe, P. E. I., April 7.—In the Provincial Assembly last night, the following resolution by Premier Sullivar, the boiler to introduce a Bill authorizing the Government to undertake the construction of a tunnel or subway across the southern of a tunnel or subway to be of sufficient size and atrength and capacity to admit of railway trains passing through it."

OTTAWA NOTES.

Items of Interest from the Dominion Capital. OF Special to the Free Press.

Ottawa, April 7.—The members from distant points have begun to arrive, and Isrze numbers of deputations are pressing tariff. railway and public works matters on the Government. These are the fire runners of the session.

NO NATIONAL PARTY.

Liberal papers in Quebec are beginning to upbrsid members whom they counted on as supporters of the Hon. Edward Blake for their familiarity with Government members. It is preity well known here that the support whou the Government will receive from Quebec will probably surprise the Liberais of that Province as well as of Ontario. There will be no National party in the new House.

AN INVESTIGATION.

Toronto, Ap fit 7.—Michael C'Donnell, who rusided at 82 Victor's atreet, while stealing a ride on a Northern Ruilway freight train last night, fell underneath the cars near Allantials and was badly mangled. He was brought here this morning and taken to the hospital, where he died shortly after and.

Province I betterive McGowan to day arrested John Villiams, alias Boston Jate on Waterloo. He left with his prisoner this after one for Berlin.

About 150 inanigrants ex steamship vancourer, arrived here from Portland this maxing. Over 100 remained here and the others went west.

Travel.

Montreal, April 7.—Returns of traffic of the G. T. R. for last week were:—\$369,-455, against \$365,366, for correspondent week of last year, being an increase of \$64,089. Archbishop Tache is still conflued in

weak.

The Canadian Passenger Agents of the St. Lawrence tourist route have returned from Albany, N. Y. It has been found that the interstate law does not interfere with tourist travel.

Elise Pellitier, aged 18 years, whose ciothes took fire while standing before a stove some time ago, died from her injuries this evening.

The Vote on Prohibition in Wichigan Detroit, Mich., April 7.—Exact figures on the Prohibition smendment are still unknown. Slowly the majority against the amendment has been cut down, but it is thought unlikely that it will go much farther. All published reports vary more or less, ranging from 1 550 to about 6 000.

Shot His Brother and Himself.
Springfield, Ill., April 7.—William and
Joseph Warford, two brothers, had an
altercation at their home, fourteen miles
south of here, this morning, over a horse.
William drew a revolver and shot Joseph,
breaking his arm. He then went to his
room and shot himself through the heart.

New York, April 7.—The steamship agents, Furch, Eige & Co., have given up all hope for the safety of the steamer Carmons. It is also believed that the steamer that salerno has gone to the bottom of the ocean.

season is more-brisk than at any time during the previous seven years, sade the proposes point to a long period of activity.

British Board of Trade statistics show in provide and exports exceeded by 2490,000 sterling, and exports exceeded by £390,000 sterling, and exports exceeded by £490,000 sterling those of March, 1886. The house in which Tom Pain was born at Theirord, Norfolk, on the 29th of January 1,737, and in which the earlier years of his life were passed, is about to be pulled down.

The Bouget Committee of the French Combinator of Deputies are considering the subject. As more of Deputies are considering the subject and has asked M. Dauphin, the Minister of Pinance, for a conference on the subject. A semi-official note is published at Parls referring to a report in circulation the that the French Government had demanded the recalled Colonel via Villaume. The most declares that the conduct of the official in question has furnished so grounds for complaint.
