arvest some anxiety for the present year ad be natural enough. On general sciples, we should think it boss pro-FURNISHES EXCELLET SPORT.

principles, we should think it host pro-bable that our present term of Arctic experiences in summer is about run out; indeed, some would place its begin-nine, not in 1888, but in 1887. If this be true, then we might fairly expect 1889 would witness the disappearance of these unusual conditions in the northern hemisphere which have brought upon us our recent experi-ences of frost in summer. It is surely about tune for us to see the end of the phenomena. But in favor of this expectation we are unable to cite anything scentific and to the point, but only general considerations. In these North American latitudes of ours we are probable

y general considerations. In these forth nerican latitudes of ours we are probably awing near to some great general change, tich will for a term of years do away with ces of frost in summer as we hav This is to be a good su

This is to be a good summer for grass and for the dairy: that much seems assured al-ready. Milk, and butter, and cheess ought to be in pleutiful supply; though that they will be cheap to those who have to buy does f not follow. Some commodities both rise and fall, but the capability of milk and butter for keeping up appears to be just wonderful. Looking at the fine, growing rains we have had, and the pasture, we should say that the yield of milk this summer must be unusually large. But will that suffice to the summary in the summer set of the summer in the summer in the summer is the summer summer summer in the summer in the summer is the summer summer summer is a summer in the summer is the summer sum the summer sum to be unusually large. But will that summer sum to be unusually

Zion Church pulpis yesterday presented a beautiful appearance, decorated as it was with ferns and flowers contributed by the Sunday School children and the congregation for distribution among the suffer-ing ones in the various hospitals and chari-table matitutions of this city. Rev. George H, Sandwell, the pastor, preached appropriate s, that in the afte

H. Sandwell, the pastor, preached appropriate ser mone, that in the afternoon being special. Father Chiniquy, who, despite his advanced years, is still hale, hearty and vigorous, as youldneed by his address before the Presby-terian Assembly the other night, occupied the pulpit of Trinity Methodias Church twice. To the third heat Daisy Dean was drawn, wi tra the third heat Daisy Dean was drawn, wi the there acced badly in the second heat, and after one of the Wathodias Church twice. The betting was about even between Hins C that vesterday. Testerday was the last Sunday in the 22nd neadomic year of the Toronto Church School Services were heal in the afternoon in the school hall and Rev. John Langtry gave an address to the students from the approprise may bow they high best be useful in the home and in the parish. Rev. C. A. Tron, pastor of the Waldensian Church at Turui, Italy, presched in Knox Church setters, Mile heat sand race. Summar-set ablow they migh best be useful in the home and in the parish. Rev. C. A. Tron, pastor of the Waldensian followed the same line of thought, giving a graphic account of the rise, persecutions and progress of the Waldenses, who now have a membership of nearly 40,000. we believe we have now, beyond dispute, the most complete grocery establishment in On-tario, both as to stock and appointments. We have added a fruit department and will have it stocked with the choicess fruits in season. Our provision department is also complete and we keep in stock a full line of meats from Grant & Co., the celebrated pork packers of Ingersoll, and Fearman of Hamilton. We receive daily by express from Grant & Co. tendetloins, kidneys, hearts, samages, bolognas, headcheese, etc. We have in the west window a plate glass refrigerator 12 feet long, where we keep immense quantities of the finest dairy and creamery butter. Families in any part of the city will be called upon twice a week for orders if required. We pay special attention to shipping family and camping orders to all parts of Outario. Sand for litho-graphed price castalog. Barnett's Conviction Sustained.
