BIBLE SOCIETY MEETING.

The annual meeting of the British and Foreign Bible Society was held in the Watford Baptist Church, the Rev. S. P. Irwin, B. A., President, presiding.

The officers elect are:—President, Rev. M. Kelly; Secretary, Dr. Hicks; Depository and Treasurer, W. P. McLaren; Committee, Revs. Irwin, Coupland, Howe, Parsons, and Hay, and Messrs. T. Woods, W. Marwick, S. W. Louks and S. E. Thompson; Collectors, Watford East, Misses B. Mitchell and M. Harrower; Watford West, Misses E. Adams and K. Louks; 4th line East, Warwick, Misses Morgan and Eastabrooke; 4th line West, Warwick, Miss McCormick; 2nd line East, Watford, Misses E. Moffatt and L. Sullivan; 12th line East, Brooke, Misses M. King and L. Holbrook; 12th line West, Brooke, Miss B. Holbrook; 6th line East, Warwick, Miss M. Hume; 6th line West, Miss L. Leach.

The main feature of the evening service was the address by Rev. R. J. Bowen, the general secretary of Western Ontario and Vancouver for the Canadian Bible Society. In a masterly way the speaker marshalled his facts to prove that the Society was realizing its ideals, namely, to reduce every language however barbarous to writing, and all such language, however difficult, to print, then to give to every man in the world a Bible in his own language, commencing as far south as man is found. Mr. Bowen gave a graphic account of the struggles and triumphs of the Society in the Southern Seas in New Zealand, Australia, Africa, South America, and the Orient. A remarkable instance was cited of a race that had three words in its vocabulary, the words to eat, to sleep to kill. This race had been taught the English language and was evangelized by the word of God. But while the needs of many of these barbarous countries for the Bible were great in the speaker's estimation they were no greater than the present needs of Canada to which country this Society devotes its whole strength. The immense throng of foreigners pouring into Western Canada at the rate of nearly 1000 souls per day, most of whom have never read the Bible and all of whom enjoy the rights of citizenship demand a tremendous evangelizing effort if our moral and social standards are to be preserved, and if British law and Canadian institutions are to be respected. The Indian problem was also dealt with effectively. On the whole the address was most inspiring and instructive and those who heard it must, if they are true patriots, feel that a great responsibility rests on us in sending not only the Bible but the missionary to the stranger that is within our gates.

Seven carloads of export cattle were shipped from Forest last week.

HOCKEY.

The annual meeting of the Watford Hockey Club was held on Friday evening when the following officers were elected:—

President, J. W. McLaren.
Manager, Alex. Elliot.
Sec'y Treas., D. W. Ferguson.
Managing Com., J. S. Davidson, A. R. Brown, H. P. Lawrence.

The membership fee was placed at fifty cents.

There is a movement under way to divide this section of the western peninsula into two compact groups for hockey purposes.

Group No. 1 to consist of Sarnia, Forest, Parkhill and Ailsa Craig.

Group No. 2, Petrolia, Alvinston, Watford and Strathroy. The places named are convenient, and matches could be played at small expense. It is the intention to call a meeting shortly and arrange a schedule of games, the group winners to play off for the championship. Possibly a trophy may be put up for competition.

This looks like the best proposition yet presented in local hockey circles, and it would be fully as interesting and much less expensive than an O. H. A. group. We hope to see it carried out, and feel assured Watford would be able to give a good account of itself in the series.

Forest is quite enthusiastic and having a new rink will be a factor in the race. The clubs are evenly matched and an interesting contest would naturally follow.

MAKE NEW BLOOD.

That is What Dr. Williams' Pink Pills Do—That is why They Cure So Many Diseases.

When persons have not enough blood, or when their blood is weak and watery the doctors name the trouble anaemia. Bloodlessness is the direct cause of many common diseases, such as indigestion, palpitation of the heart, debility, decline, neuralgia, nervousness, rheumatism and consumption. The surest signs of poor blood are paleness, bluish lips, cold hands and feet, general weakness, low spirits and headaches and backaches. If anaemia is not checked in time it will probably develop into consumption. There is one certain cure for anaemia—Dr. Williams' Pink Pills. These pills actually make new, rich, red blood, which fills the veins and brings new life, new energy and good health to bloodless people. In proof of this, Miss Mabel Clendenning, of Niagara Falls, Ont., says: "For two years I suffered from anaemia. I was weak, thin, had no appetite. I sometimes had distressing headaches and felt low spirited. My heart would palpitate violently; I could do no work around the house; I became very pale and my nerves got unstrung. The efforts of two good doctors failed to help me. I was in such a pitiful state. One day a friend urged me to try Dr. Williams' Pink Pills and I did so. Soon I saw the pills were helping me and by the time I had taken nine boxes I was completely cured. I had a good appetite; gained in weight, I hadn't an ache or pain, could sleep well and I am in far better health now than I ever was. I cannot speak too highly of what Dr. Williams' Pink Pills have done for me."

What Dr. Williams' Pink Pills have done for thousands—they will do for you. But you must get the genuine with the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper around every box. If your dealer has not got the genuine pills you can get them at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

THE LATE WILLIAM WOODS, OF BROOKE.

There passed away a pioneer of Brooke Township, in the person of Mr. William Woods, on Sunday, Nov. 17th, after a lingering illness extending over about six years. The funeral was held from his late residence on Tuesday, Nov. 19th, to St. James' Church, Brooke, where services were conducted by Rev. S. P. Irwin, assisted by Rev. T. B. Coupland. Mr. Irwin took as his text, Cor. chap. 15, v. 21, "For since by man came death, by man came also the resurrection of the dead," from which he preached an able and instructive sermon. The pallbearers were his son-in-law Jas. Moffatt, and his five sons. The funeral cortege was composed of over 100 rigs. Deceased was born in Roscrea, Kings county, Ireland, Dec. 1837. The family emigrated to America in 1850 and settled in Toronto, where he worked for a time as a wick setter in a candle factory. He was one of the first firemen on the G. T. R. between Toronto and Belleville, holding the position while the road was being constructed. He purchased his late residence from Hon. G. W. Allen and settled on it in 1858. He underwent all the hardships of a pioneer and assisted in clearing the road to his farm. On Jan. 2nd, 1862, he married Miss Jane Cartier, of Toronto. The first born was a girl, Mrs. James Moffatt, of Brooke Township, then followed by Gilbert, of the homestead, John, of Chelsea, Mich., Harry, Mt. Brydges, Arthur, of Kerwood, and Thos. A., of Warwick. The youngest son Hiram, was killed in a runaway accident in 1893. Mrs. Woods predeceased him on Feb. 17th, 1905. He was prominent in any matter which tended to improve the condition of the community. He assisted in organizing the first cheese company in the township. In politics he was a staunch Conservative, and was a consistent member of the Church of England.

Taken Home For Burial.

Cobalt, Nov. 17.—Mr. and Mrs. J. H. McIntosh, of Strathroy, father and mother of Wm. McIntosh, who died on Friday of pneumonia as a result of inhaling the fumes of nitric acid, arrived in Cobalt on Saturday morning, and left in the afternoon with the remains of their son. Interment will be made at Strathroy, where Mr. McIntosh was born.

FISHER—MACLAHLAN.

On Thursday afternoon, Nov. 14th, the marriage of Miss Mary Jane MacLachlan, youngest daughter of Mr. and Mrs. Hugh MacLachlan, Brooke, to Mr. Donald L. Fisher, Brooke, was quietly solemnized at the home of the bride's parents, the Rev. T. A. Bell, B. A., officiating. The bride was given away by her father. Her cousin, Miss M. McIntyre, was bridesmaid, and Mr. D. A. Fisher, cousin of the groom, was best man. Mr. and Mrs. Fisher left on a short trip to London, Detroit and other points. The newly married couple have the best wishes of a large circle of friends.

FARMERS, DON'T MISS IT!

Few farm houses in Canada will be found without the Family Herald and Weekly Star, of Montreal. Those homes that do not receive it are missing a great treat. The Family Herald and Weekly Star is to-day easily worth ten times the subscription price to any farmer. Its value in fact cannot be over-estimated. It is a wonderful combination of a weekly newspaper, family magazine and an agricultural journal without an equal. Farmers, if you do not read the Family Herald and Weekly Star, of Montreal, you should give it a trial during 1907. Do not wait until January but remit one dollar now and you will never regret it.

London Boy's Success.

Taking the palm from such writers as F. Hopkinson, Smith and Ruyard Kipling, Harvey J. O'Higgins, a former London boy, has achieved a literary victory which has called forth widespread comment.

He has been awarded the first prize in the \$1,000 short story competition offered by "The Saturday Review." In addition to this he secures \$500, the regular price paid for a meritorious story by this magazine.

The story is of six thousand words in length, and \$1,500 sounds like pretty good remuneration, but when it is considered that this came only after years of effort and plucky struggle in a great city, every word of it is not too well paid.

Mr. O'Higgins left London after graduating from the Collegiate Institute, and entered Toronto University. Later he held a position as reporter on The Toronto Star, after which he embarked on a literary career in New York.

Mr. O'Higgins is famous as a writer of short stories of firemen, and his "Smoke Eaters" has become historic as the firemen's book. His latest publication in novel form was "Don-a-Dreams," his own boy life story.

Mr. O'Higgins is a son-in-law of Mr. John S. Williams, of Toronto, and a nephew of our own "Old Pioneer."

Business Paper

A knowledge of Business Paper is of inestimable value to every young man.

An accountant must be familiar with the uses of notes, drafts and checks to hold a responsible position.

The young man in business for himself should possess the knowledge necessary to draw up correctly all manner of business forms, such as notes, drafts, vouchers, leases, partnership agreements, etc.

He, who intends to remain upon the farm, must know the meaning of "negotiability," "indorsing," "dis-

counting," "protesting," etc., or he will find himself "out of pocket" now and again.

We thoroughly teach all these and many more valuable things in connection with "Bills of Exchange."
