Dr. SPOHN'S SICK HEADACHE REMEDY.

Read the following from Judge Patterson, for thirty years the first Judge of the County in which he lives.

Middletown, N. J., March 12, 1840. Messrs. Comstock & Co.

Gentlemen—You are at liberty to make such use of the following certificate as you deem will best subserve the purpose for which it is intended.

[Certificate of Judge Patterson.]

I HEREBY CERTIFY that my daughter has been afflicted with sick headache for about 20 years—the attacks occurring once in about two weeks, frequently lasting 24 hours, during which time the paroxysms have been so severe, as apparently soon to deprive her of life. And after having tried almost all other remedies in vain, I have been induced as a last resort to try Spohn's Headache Remedy as sold by you: and to the great disappointment and joy of herself and all her friends, found very material relief from the first dose of the medicine. She has followed up the directions with the article, and in every case when an attack was threatened has found immediate relief, until she is now permanently cured. The attacks are now very seldom, & disappear almost immediately after taking the quantity directed. A hope that others may be benefited by the use of this truly invaluable medicine, has induced me to send you the above, and remain your obedient servant, JEHU PATTERSON, Judge of the Court of C P

This Medicine can be had at Bickle's Medical Hall; also at the Druggist shops of C. H. Webster and J. Winer Hamilton.

Children's Summer Complaint Specific Cordial.

Prepared and sold by Rev. Dr. Bartholomew for the wholesale dealers, Comstock & C. N. Y.

MOTHERS should guard with their serious care the health of their children, and a little medicine always at hand in the house, may not only prevent immense pain and suffering to their tender offspring, but actually save their lives. What parents could ever forgive themselves, if for the want of a seasonable remedy they risked the life of their children till remedies were too late. The complaints of the stomach and bowels of children progress with such rapidity, that unless checked at the start, they are not only hazardous but almost always fatal. In country places this remedy may be taken with certainty to stop all such complaints, and save the expense of calling a physician, or if a physician is sent for from a distance, this medicine will assure the safety of the child till the physician arrives.

LET, THEREFORE, NO FAMILY be without this medicine always at hand in their houses. How would they feel to lose a dear child by neglecting it?

ADULTS will find this cordial as useful to them as children; and its being free from all injurious drugs, &c. will be sure to please as well as benefit. In all sickness at stomach and bowel complaints do not fail to employ carefully this cordial.

WILL YOU, WE ASK, risk your lives and those of your children by neglecting to keep this in your house, when it only costs TWENTY FIVE CENTS? We are sure all humane heads of families must supply themselves with this cordial without delay.

This medicine can be had at Bickle's Medical Hall; also at the Druggist shops of C. H. Webster and J. Winer's Hamilton.

POTASH KETTLES AND STOVES.

of every kind required in this market, at the HAMILTON FOUNDRY, JOHN S. E. & C. inform that they have com-

try established, as well as the public generally, that they are now manufacturing and have on hand, Potash Kettles and Coolers, Parlor, Box, and Cooking Stoves, of every size and of new and fashionable Patterns, together with Ploughs, Galvanizers, Paint Mills, &c., which they will sell at cheaper prices than at any other foundry in Canada West.

E. & C. Gurney would beg also to observe, that their Foundry is the only one in West-ern Canada that casts Potash Kettles. These castings have been inspected by competent judges, who pronounced them as good, if not superior to those imported from Scotland; and being sold at a lower price, it is hoped that Canadians will give this matter so far their consideration, as to consent to purchase home in preference to foreign manufactures.

N.B.—The Ancestor Plough, and a new style of Plough lately brought into this country, and which is highly approved of in New York state, are both made at this foundry.

All kinds of Custom work done on the shortest notice, and on most reasonable terms. Hamilton, April, 1841.
