

PERSONAL TO SUBSCRIBERS!

WRITE FOR IT!

THIS announcement won't cure you! The reading of it won't ease your aches and pains. The medicine advertised **WILL**, but if you **NEED** it, if you **WANT** it, you **MUST WRITE FOR IT**.
WE have it and are willing to send it to you **ON TRIAL, AT OUR RISK, YOU TO BE THE JUDGE**, but we cannot know that you need it, that you want it, unless you write to us and tell us to send it to you.
How many times have you seen "Personal to Subscribers" in this paper? How many times have you **THOUGHT** you would answer it and send for a package on trial, **AT OUR RISK**? Now suit the **ACTION** to the **THOUGHT**, and write for it to-day. Hundreds of your **FELLOW SUBSCRIBERS** have done what we ask you to do and are not sorry for having done it. You do it **NOW!** **YOU ARE TO BE THE JUDGE!**

READ OUR SPECIAL TRIAL OFFER:

WE WILL SEND to every subscriber or reader of "THE NORTHERN MESSENGER" or worthy person recommended by a subscriber, a full-sized **One Dollar** package of **VITÆ-ORE**, by mail, post-paid, sufficient for one month's treatment, to be paid or within one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs or dopes of quacks or good doctors or patent medicines he or she has ever used. Read this over again carefully, and understand we ask our pay only when it has done you good and not before. We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. **Vitæ-Ore** is a natural, hard, adamantine, rock-like substance—mineral—Ore—mined from the ground like gold and silver, and requires about twenty years for oxidization. It contains free iron, free sulphur and magnesium, and one package will equal in medicinal strength and curative value 800 gallons of the most powerful, efficacious mineral water drunk fresh at the springs. It is a geological discovery to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as **Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Dropsy, Catarrh and Throat Affections, Liver, Kidney and Bladder Ailments, Stomach and Female Disorders, La Grippe, Malarial Fever, Nervous Prostration and General Debility**, as thousands testify, and as no one, answering this, writing for a package, will deny after using. **Vitæ-Ore** has cured more chronic, obstinate, pronounced-incurable cases than any other known medicine, and will reach such cases with a more rapid, powerful curative action than any medicine, combination of medicines, or doctor's prescription which it is possible to procure.

VITÆ-ORE will do the same for you as it has for hundreds of readers of this paper if you will give it a trial. **Send for a \$1.00 package at our risk.** You have nothing to lose but the stamp to answer this announcement. If the medicine does not benefit you, **write us so and there is no harm done. We want no one's money whom Vitæ-Ore cannot benefit.** Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure and is willing to pay for it, would hesitate to try **Vitæ-Ore** on this liberal offer? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. **We mean just what we say** in this announcement, and will do just what we agree. Write to-day for a package at our risk and expense, giving your age and ailments, and mention this paper, so we may know that you are entitled to this liberal offer.

Middle-Aged and Elderly People Should Use It.

As old age approaches the necessity for such a tonic as **Vitæ-Ore** becomes each year more and more manifest. As is generally known, all through life there is a slow, steady accumulation of calcareous deposits in the system, marking the transition from the soft, gelatinous condition of infancy to the hard, osseous condition of old age. These calcareous deposits naturally interfere with the function of the **vital organs**, and when they become excessive and resist expulsion, result in the dryness and stiffness of old age. In early life these deposits are thrown off, but age has not the power to do so unless assisted by some outside stimulant. **Vitæ-Ore**, apart from its powerful disease curing, health-restoring action, is just the **ideal stimulant** for middle-aged, elderly people, in that it enters the blood, dissolves the hard calcareous matter, and almost entirely eradicates the ossific deposits so much dreaded by old people. **It enriches the blood** with the necessary hematinic properties, drives all foreign matter from the circulation, and prolongs vigor and activity in both men and women to a ripe old age.

This offer will challenge the attention and consideration, and afterward the gratitude of every living person who desires better health, or who suffers pains, ills, and diseases which have defied the medical world and grown worse with age. We care not for your skepticism, but only ask your investigation, and at our expense, regardless of what ills you have, by sending to us for a package.

GAINED TEN POUNDS IN WEIGHT

Suffered for Five Years from General Debility' two Years from Indigestion and Salt Rheum. Clinton, Ont.

I wish to tell what **Vitæ-Ore** has done for me in the hope that I may help others to be cured as I have been. I had been suffering for five years with **General Debility and Neuralgia** in my head, and two years ago I began to be troubled with **Indigestion and Salt Rheum**, the latter appearing on my hands, and could hardly eat or sleep. Although I doctored with some good doctors, I received no benefit until I commenced using **Vitæ-Ore**, and before I used all of two packages **I had gained ten pounds**. Three packages of **Vitæ-Ore** have made me a new woman.

MRS. MARY KNOOT.

CURED AFTER SEVEN YEARS' SUFFERING.

READ WHAT A QUEBEC MAN SAYS. Lance Au Beaulfs, Que.

After suffering for about seven years with **Rheumatism** my attention was called to **Vitæ-Ore**, and as I had tried nearly everything else recommended to me I decided to give it a trial also. The result was far different from the other medicines and treatments I have used, as **I am now cured of my trouble**. Mine has certainly been a hard and obstinate case, which gives **Vitæ-Ore** all the more triumph for having accomplished what all others could not.

ALFRED LENSEFESTEY.

"VITÆ-ORE DID IT ALL."

Had Almost Given Up—Grew Weak and Thin—Could Not Work—Now Strong and Healthy. Edmonton, Alberta.

I can cheerfully testify to all sufferers what **Vitæ-Ore** has done for me. I suffered for years from **Indigestion and other Stomach Troubles**. I grew so weak and thin I could not work, and had almost given up, beginning to think life was not worth living. I got relief from the first package of **Vitæ-Ore**, in fact, as soon as I began its use. Before I had finished the second package I began to gain in flesh, and when I had taken the third package I weighed more than I ever did. I am today a strong, healthy man, and **Vitæ-Ore** did it all.
