

The
Gourlay Piano

IS THE CULMINATION OF PIANO
 EXCELLENCE

In its manufacture we have begun where others have left off. In it we have achieved something better than that hitherto acknowledged as the best. Whatever one piano manufacturer may do is open to the world to examine and criticize, to experiment upon and improve; and the experience and judgment which direct wise experimenting are the qualities which tell. *We possess those qualities.* Our intimate experience with and knowledge of the world's best pianos has aided us not a little.

The GOURLAY is the crowning success of nearly a century of advancement in piano construction
