THE MELOTTE

CREAM SEPARATOR

INCLUDING

**Speed, Cleanliness, Economy
Durability and Simplicity of
Construction**

In this number we give in the fewest words an idea of

THE REPUTATION OF THE MELOTTE

amongst users throughout Ontario. These bear out in practical working the claims outlined; and emphasize the wisdom of investigating the qualities that have made the Melotte so popular.

Wm. Stacy, Manager House of Industry, Athens, Ont., writes that their Melotte is running apparently as well as ever after six years' use, **and the bearings have never yet been flushed out.**

Harvey Williams, Niagara Falls South, Ont.,

"Considerable advantage in producing a uniform butter."

Mrs. Stokes, Valencia, Ont.,

"So well pleased with it I got a larger size."

Mr. T. Shaw, Wallaceburg, Ont.,

"As a separator it is simply immense."

W. F. Thomas, Newcastle, Ont.,

"It is the longest lived, easiest turned and cleanest skimmer on the market."

A. A. Powers, Orono, Ont.,

"Easy to operate and does its work well."

Wm. Patterson, Orono, Ont.,

"Am thoroughly satisfied with the work done."

J. Robinson, Orono, Ont.,

"I can conscientiously recommend the Melotte to intending purchasers."

K. Seabrook, Frazerville, Ont.,

"I consider the 'Melotte' a perfect Cream Separator."
