

Mr. Gilmour is a clear thinker and a ready speaker, and we will look for good results from his labours in that interesting field.

Mr. Major H. MacIntosh, B.A. after graduating last spring, supplied the congregation of Rossland, B.C., for three months. At the close of his engagement there he went on to the coast. In December last he received a hearty and unanimous call from West End and Sapperton congregation, New Westminster, B.C. Having accepted the Call, he was ordained and inducted on Dec. 28th.

From friends in New Westminster we learn that Mr. MacIntosh's genial and sterling qualities have already made him a favourite there.

We wish him every success.

The Pastoral charge of Hallville and Reid's Mills, of which Rev. J. H. Higgins, B.A.—class of '88—is minister, held a very successful entertainment during the holidays. It was a success along every line. The evening was favorable, the attendance large, the programme good and the financial results satisfactory.

Mr. Higgins is known wherever he has preached as an able expounder of the Word of God.—While in College he gained a name for himself in his desire, always, to see through any subject in hand. Wherever he has preached his words have come home with power, and are remembered, on account of their truth and the earnest way in which they are delivered.

In this issue of the "Journal" our readers are favored with an address delivered before the "Re-Union and Institute" in October last by the Rev. D. Currie, M.A., B.D., of Perth, Ont.

The subject, "The Minister and his Reading," was one which Mr. Currie was admirably adapted to deal with from experience, and one which he was quite competent to advise upon.

Mr. Currie is a graduate of '84. He was called from his charge in Glencoe, Ont., to fill the vacancy in Perth, caused by the appointment of Rev. Prof. Ross to this College.
