Variety the Spice of Life.

There is variety in the letters received by Mrs. Lydia E. Pinkham, testifying to the cure effected by her Vegetable Compound and the great relief afforded to thousands of women in all sections. D— of Portland, Me., says: "It has done for me all it claimed to and I cheerfully recommend it to all suffering as I have done." Mrs. D. H. E— of Lexington, Va., says: "I have taken one bottle and I assure you I feel a great deal better, I feel strong as ever and I've never felt a pain in my back since the second dose."

Scientific and Useful.

COFFEE CAKE.—One cup molasses, one-half cup sugar, three cups flour, one-half cup butter, one cup col' strong coffee, two cups raisins, two eggs, one tablespoonful of saleratus. Spice to suit the taste.

ONION SAUCE.—Onion sauce is made by boiling three or four white onions until they are tender, then mince them fine. Boil half-pint of milk, add butter half the size of an egg, salt and pepper to taste. Stir the onion into it, and a tablespoonful of flour rubbed smooth in a little cold milk. Let it come to a boil, then serve.

CREAM SAUCE.—Mix together in a saucepan over the fire one tablespoonful each of butter and flour till smooth, add in small quantities one pint of milk till like thick cream; when smooth and boiling, stir in two heaping tablespoons of sugar and one teaspoon of extract of lemon. A plainer sauce can be made by using water instead of milk.

THE SECRET OF THE LARGE AND CONSTANT SALES OF Mrs. Pinkham's Vegetable Compound probably lies in the fact that whereas there are many "Bitters" and "Tonics" of equal value, be it more or less, the Vegetable Compound is so completely superior to all other preparations specially recommended for the needs of women that it has practically no rivals.

LEMON CAKE.—One and one-half cups sugar, one of butter, two and one-half of flour, five eggs beaten separately, four teaspoons sweet milk, teaspoon cream tartar, one-half teaspoon soda. For jelly, take coffee cup sugar, two tablespoons butter, two eggs and juice of two lemons, beat and boil until consistency of jelly; for orange cake, use oranges instead of lemons.

WHERE TO KEEP IT.—Keep it in your family. The best remedy for accidents and emergencies, for Burns, Scalds, Bruises, Soreness, Sore Throat, Croup, Rheumatism, Chills and Pain or Soreness of all kinds, is that marvellous healing remedy, Hagar's Yellow Oil.

APPLE JELLY.—Into a baking pan place apples already pared, cored and par-boiled, filling the cavities with white sugar. Pare a lemon, place the parings between the apple; sprinkle through them five cents worth of tapioca which has been soaked over night; squeeze the juice of the lemon on them; fill the pan with cold water, bake slowly an hour or more. Eat with whipped cream. Mrs. John Bell.

AMBER PUDDING. One half pound of butter in a saucepan; add to it six ounces of loaf sugar finely powdered; mix well; then add the yolks of six eggs well beaten, and as much chopped and powdered, candied orange peel as will give colour and flavour to the mixture. Line a pie-dish with paste, and when filled with the above, put on a cover of paste and bake in a slow oven. It can be eaten hot or cold.

SURE TO CONQUER.—The most troublesome cough is sure to yield if timely treated with Hagar's Pectoral Balsam. Pleasant to take and safe for young or old.

TEMPERANCE SAUCE.—Two eggs beaten separately, one cup of sugar, five tablespoonfuls of boiling milk, three of corn starch dissolved in sufficient cold milk to moisten it, one of butter, one grated nutmeg. Whip the sugar, butter and eggs to a cream, then put in the corn starch, and add the boiling milk slowly, beat well all the time; set in a pan of boiling water and let it stand for ten minutes, stirring all the time. Serve hot.

AN improvement in Upright Pianos has been introduced by the Mason & Hamlin Company, long famous as organ makers, which is regarded as very important, adding to the beauty of tone of this instrument and rendering it much more durable.—Boston Journal.

RASPBERRY PANCAKES.—To two eggs allow two ounces of flour, a little salt, and milk enough to make a batter of medium thickness. Beat the eggs until they are very light before adding the flour; put a lump of butter into a saucepan, and then pour in enough batter to make one large cake; put in just enough to cover the bottom of the pan nicely, as the cake should be so thin that it will not need to be turned. When the pancake is done, sprinkle powdered sugar over it, and spread with raspberry jam, and roll it up; put on a hot plate, and when you have three or four done send them to the table. To make these cakes very delicate, flavour them with a little lemon.

Suffering Womanhood.

Too much effort cannot be made to bring to the attention of suffering womanhood the great value of Lydia E. Pinkham's Vegetable Compound as a remedy for the diseases of women, and perhaps nothing is more effectual than the testimony of those who have been cured by it. Such an one is the wife of General Barringer of Winston, N. C., and we quote from the General's letter as follows: "Dear Mrs. Pinkham: Please allow me to add my testimony to the most excellent medicinal qualities of your Vegetable Compound. Mrs. Barringer was treated for several years for what the physicians called Dysmenorrhea and Prolapsus Uteri combined. I sent her to Richmond, Va., when she remained for six months under the treatment of an eminent physician without any permanent benefit. She was induced to try your medicine and after a reasonable time commenced to improve and is now able to attend to her business and considers herself fully relieved." [General Barringer is the proprietor of the American Hotel, Winston, N. C., and is widely known.—Ed.]

LYDIA E. PINKHAM'S VEGETABLE COMPOUND is prepared at Lynn, Mass. Price \$1. Six bottles for \$5. Sold by all druggists. Sent by mail, postage paid, in form of Pills or Lozenges on receipt of price as above. Mrs. Pinkham's "Guide to Health" will be mailed free to any lady sending stamp. Letters confidentially answered.

The above symptoms are not developed in any order, but appear, disappear and reappear until the disease gradually gets a firm grasp on the constitution, the kidney-poisoned blood breaks down the nervous system, and finally pneumonia, diarrhoea, bloodlessness, heart disease, apoplexy, paralysis, or convulsions ensue and then death is inevitable.
