**COOKIES.**—One cup of butter, one cup of brown sugar, one teaspoonful of soda, three eggs, flour enough to roll out thin.  
**THE LIQUOR** in which soap bark has been steeped, when used cold, is excellent for washing blue lawns that are easily faded. It should be washed with more water than is used for woollens.

SLOCUM,** Branch Office, 37 Yonge Street, Toronto.

**TRA BISCUITS.**—One quart of flour, four teaspoonfuls baking powder, about the size of an egg of butter, one teaspoonful of brown sugar, a teaspoonful salt and half a cup of currants; grate little nutmeg; bake twenty minutes in a quick oven.

**Figures Cannot Lie.**  
 This has been said by a great many, and believed to be truth. But I've are sometimes a little sceptical when a instance of some remote planet is given, but never in the least doubt when **HOLLIFER & Co.,** of 467 471 Queen Street, West, say they have the largest and best stock of Furniture and Carpets in the city.

**GINGER CAKE.**—Two cups of sugar and one cup of lard, scalded together; and one desertspoonful of baking soda; when cold add flour enough to make a dough; ginger to taste; roll out, and cut into shapes with cutter; bake in a medium oven; rub a little syrup over the tops before using.

**A PROFESSIONAL OPINION.**—Rev. F. Gunner, M.D., of Listowel, Ont., says, regarding B. B.: I have used your excellent Burdock Compound in practice and in my family since 1884, and hold it No. 1 on my list of sanative remedies. Your three busy B's never sting, weaken or worry.

**A QUICK DESSERT.**—Grate the yellow rind from a sour orange, free the pulp from its seeds and white membrane; beat three eggs with a teaspoonful of sugar, add to the grated rind pulp the juice of the orange, put a tablespoonful of butter in a frying pan, and when hot, cook the mixture in the form of an omelette.

**LEMON PIE.**—One lemon, juice and rind grated, one cup of sugar, yolks of two eggs, one cup of water, one teaspoonful of corn starch; put all in a small tin pail. Stand the pail in a pot of boiling water, and boil thick; make a nice puff paste, line the plate and cook the paste alone; when done a very light brown pour in your mixture; put on the top the whites of the eggs beaten stiff with sugar.

**THE North American Life Assurance Company,** whose advertisement appears in another column, is (judging from its official statement) growing rapidly in favour and deservedly so, for it offers to the insurer a choice of all the best and most popular plans. This, combined with careful, efficient and energetic management, cannot fail to succeed.

**HOW TO CLEAN DRESSES.**—Get 5 cents worth of soap-bark from the druggist's (about a teacupful). For one dress, take half of it and steep in about one quart of boiling water for about half an hour or more, then strain with a cloth. For a silk dress, while the liquid is warm, take a piece of white flannel and dip into it at intervals, and rub the silk, or satin, with it until it seems cleansed. When done, pull the material straight and hang it to dry; do not iron either the silk or satin. If the dress is very much soiled, use clean liquor to rinse it; but do not use clear water for silk, or it will not stiffen up well. For a woollen dress, dip the part to be cleansed, or the whole of it, if needed, into the liquor. This can be rinsed in the same, after washing, or in clear, warm water. If very dirty put the dress to soak in a tub, in the liquor, with more water added, before cleaning or washing. The woollen goods should be pressed before they are quite dry.

**Consumption Can be Cured**

It is especially useful in persons of consumptive tendencies."—Put up in 50 cents and \$1 size.
