Histogenetic System OF MEDICINE.

Its Challenge is Investigation!  
Its Passport is Truth!

This System is complete, having different medicines (which are perfectly pure and tasteless) for all the different diseases. THE THEORY is to rebuild the diseased cells and tissues of the body, and by thus reaching the primal cause of disease these medicines will save life where the old systems of giving poisonous drugs fail miserably. Books explaining the system sent free to any address.

**Histogenetic Medicine Association:**

GENTLEMEN—My daughter took a severe cold on the 21st of last July, and it did not break, but settled all through her system. She had a severe headache, pain in the cords of her neck, ears, right side and through her body generally, followed soon by chills, fever, poor and failing appetite and nausea. A cough set in, the lips became very pale and system bloodless; tongue thickly coated yellow; dizziness, extreme prostration and rapid decline followed. I consulted Dr. Rear, who seemed to be much alarmed at my daughter's condition. He prescribed the Histogenetic remedies for her, and she gained rapidly, and only required three lots of medicine and one visit. In one month she was cured soundly. I consider her case was a very hopeless one, and that Histogenetic Medicines and the doctor's good advice saved her life. I think it is the best system of medicine.

HERBERT LEGGE.

300 College street, Toronto, Sept. 23, 1891.

**Histogenetic Medicine Association:**

GENTLEMEN—This is to certify that I have suffered with rheumatism for the last twenty-five years. At five different periods I have been so bad that I had to remain in bed for several months at a time. This summer I was suffering severely with pain all through my body, constipation, headache, drowsiness, etc. I began taking Histogenetic Medicines on June 15th, and continued for eight weeks. I began to improve at once. Pain left me gradually. I do not feel it at all except a very little at change of weather—nothing to speak of, just a gentle reminder. Constipation and headache cured up and no return of either since. It is now six weeks since I stopped taking the medicines. I feel better now than I have for years, and I heartily recommend the people of London to try Histogenetic Medicines, as they did more for me than all the doctors' prescriptions or other medicines that I had taken before.

A REMARKABLE STORY

Already famous in Europe, entitled "Four Days," from the Russian of *Gerashin* appears in the double summer number of POET-LORE—June 15th. It is a vivid picture of a significant episode in the life of a modern soldier. Two short stories of a very different kind follow—"Faded Leaves," and "Green is Hope," translated from the Norse of Povel Kielland. The same number of POET-LORE contains a hitherto unpublished letter of John Ruskin on "Wages" and critical papers on "Two Versions of the Wandering Jew," by Prof. R. G. Moulton; "The Text of Shakespeare," by Dr. Horace Howard Furness; "An Inductive Study of You Like It," by C. A. Wurtzburg; and "Study Programme: Magic, Out-door and Human Nature in Literature," of practical use to Reading Circles or for the home study.

Literature

A COMPLETE PLAY—"Harold," the distinguished German dramatist Ernst von Wildenbruch, will be given translated into English verse, with the author's sanction, in the second double number of POET-LORE—Sept. 15th. The drama is on an English theme, is full of action, and has a marked success on the German stage. Copyright applied for and biographical account of him, will also be given.
