THE LATE MAJOR WELSFORD.—The following letter was written by this late lamented officer within an hour of his being blown to atoms from the cannon's mouth:—"Camp, Sept. 8. My dear B.—This is about to be an eventful day to some of us, as we are to storm the Redan, the French the Malakoff; and, as you say, 'would it were bed time, Hal, and all were well.' But I trust in Providence all will be well, and that I will be instrumental in making her Majesty a present of the Redan, and as I am to lead the Light Division storming party, and, if God spare me, to be the first in and first up. This is to be done by escalade. I am glad her Majesty has seen my photographs, and I now send you some more like them.—No time for writing more, as the drums are going. Remember me to Lady.—They asked me if I liked the idea of active service, I will tell them more about it when this day is over. God bless you my dear B.—Believe me truly yours, A. F. WELSFORD."

H. M. Boscawen, 70, Capt. Granville, bearing the flag of Rear Admiral Arthur Finschaye, C. B., sailed for Bermuda and the southern portion of his command yesterday.

PLASTER COVE, Nov. 1st, 1855.—Capt. Kirby, Collector of Light Duty in the Strait of Canso, was drowned this afternoon in getting over the ship's side into the boat which was alongside. The unfortunate man sunk immediately. The body was recovered in an hour after it had disappeared. The deceased leaves a wife to mourn her sudden bereavement.—Telegraph to C. B. News.

ROCHESTER October 19, 1852.

GENTLEMEN—Having experienced the beneficial effects of Dr. M'LANE'S Liver Pills, I take great pleasure in recommending them to the Public. I feel warranted in saying, that they are a certain cure for liver complaints and all bilious diseases, no matter how difficult or long standing. I myself was afflicted with this dreadful disease for over two years, and oh! how thankful I am that I heard of these Pills. I purchased at one of your agents three boxes, and before I had finished the third box, was completely cured. I verily believe, but for Dr. M'LANE'S Liver Pills, I should have now been in my grave; but as it is I am now enjoying the best of health, and stand a living witness of the efficacy of DR. M'LANE'S LIVER PILLS. Besides recovering my health, I consider that I have saved in pocket some two or three hundred dollars physician's fees.

This testimony I give you with the greatest pleasure, and hope it may do something towards making these invaluable Pills known to all who are suffering with liver complaint.

WILLIAM HISS, Traveller in Western New York, P. S. Dr. M'LANE'S Celebrated Liver Pills, also his great American Vermifuge and Worm Destroyer, can now be had at all respectable Drug Stores in this city.

Purchasers will please be careful to ask for and take none but DR. M'LANE'S LIVER PILLS. There are other Pills, purporting to be Liver Pills, now before the public.

Sold in Halifax by Wm. Langley and John Naylor.

Holloway's Ointment and Pills will cure any disease of the skin of the longest standing—William Frederick Anderson, of Parry Islands, suffered for a long time from eruptions on the skin, his face, arms, and legs, were covered with little plaques and sores of a scorbatic nature, for the cure of this and a very painful disfigurement, he tried a variety of remedies, which failed to benefit him. At last he tried Holloway's Ointment and Pills, which very soon produced a favourable change, and by a few weeks perseverance with these remedies, he was completely cured. This famous Ointment will cure ulcers and old wounds of twenty years standing.
