The lengthy communication from Owen's Sound, has been laid over too long, and now we are compelled to postpone even an abbreviation of its interesting contents.

Hamilton, Sep. 26, 1851.

NORTH AMERICAN MUTUAL INSURANCE COMPANY.

CAPITAL, \$125,000.

THIS COMPANY has been organized in conformity with the Act of 1849. With an unlimited charter, confined to no District, State, or Country, it is the design of the Directors to make the Company what its name denominates, truly a NORTH AMERICAN COMPANY, and one that will sustain a representation at home and abroad. For Mutual Safety, Rigid Economy, and strict and impartial justice to all,—with this view, and for the benefit of their policy holders in this Province, the Directors have appointed the undersigned a General Agent, to act for them in all matters pertaining to the business of FIRE INSURANCE that has been or shall be transacted by or in behalf of this Company in Canada East. And in accordance with this appointment, the undersigned has opened an Office in the Village of St. Andrews, Argenteuil, C. E., where he will attend to all business with the least possible delay. And his friends may rest assured that none but *safe risks* will be taken by this Company; and that the utmost caution and prudence will be observed in conducting its affairs.

The undersigned flatters himself that the following plan adopted by the Directors, will compare favourably with the plan of any other institution of the kind for MUTUAL safety:—

1st, In order more fully to secure the Farmers' interest in this Company, its business will be divided according to charter into two separate classes.

2nd, The only risk taken in the Farmers' department will consist of Farm property, generally, and isolated dwellings with their contents, of which not more than \$2000 shall be insured in one risk.

3rd, All other property insured in this Company is put into a separate class, each class pays its own losses, and the premium notes shall not in any case be assessed for the payment of any losses except in the class which they belong.

4th, The Company will be responsible for the correctness of all surveys made by its authorized Agents.

5th, This Company has no two-thirds' clause, but will pay, in case of fire, the full amount of damage, not to exceed the amount insured.

6th, If a difference should at any time arise between the insured and Directors regarding any loss or damage sustained, may at the option of either party be determined by three disinterested persons, mutually chosen by the insured and the Directors in the County where said loss shall occur.

7th, Should there at any time be in the treasury a surplus fund not actually wanted for the payment of its losses and expenses, the same will be divided among the members in proportion to the amount by each paid in.

↳ All communications should be addressed, *post paid*, to the undersigned, ST. ANDREWS, ARGENTEUIL, C. E.,

A. A. GREEN, *General Agent.*
