## To Have and to Hold Your Business IS OUR GREATEST DESIRE.

We have a plant that is adequately equipped for the production of Miners' Tools, Mine Cars, Hitchings, Coal Drills, Light and Heavy Forgings, or any special piece of Machinery you may require for mining. And we can insure it through the quality of our production.

The Tools we Turn out are recognized throughout the Maritime Provinces as the best, and their popularity is rapidly increasing in the coal Mines of the West.

CORRESPONDENCE SOLICITED.
