

HUMOUROUS.

A HINT TO WEDDING TOURISTS.—Young Wife (on her honeymoon): When we get to the hotel we must be careful not to let the folks see that we are newly-married, mustn't we, Hermann? Husband: Quite right, lovey—here carry my stick and umbrella.

"SUSIE," said Willie to his sister, "what are 'Blackfeet Indians?'" "What are what?" "Blackfeet Indians." "I don't know, I'm sure," said Susie, "what the expression can mean, unless those wicked traders have been selling the poor Indians some of the hosiery that is warranted not to fade."

"BEFORE we take up the collection this morning," remarked the good pastor, as he looked mildly over the congregation "I wish to say that we have in the church treasury two quarts of nickels that appear to have been punched through and afterward plugged with lead. These coins, I am informed, will not buy stamps, groceries or fuel, and conductors on street cars refuse to take them. The choir will please sing Oh, Land of Rest, for Thee I sigh."

OLD MRS. SMILEY: Next time I get took down sick, my dear, I wish ye wouldn't have that there young sprig of a doctor come to attend me. I don't go much on young doctors, no how." **Mr. Smiley:** Well, Maria, who would you like to have me call? **Mrs. Smiley:** I've kinder took a notion to the doctor around the corner. I dunno much about him, but I see he's got a sign out "Veterinary surgeon," and I think he must be a man of experience."

THE LATE INDIAN CHIEF, "CROWFOOT."

RECAMIER SARSAPARILLA.

The safety of human life depends upon a proper observance of all natural laws, and the use in cases of sickness of only such medicines as are known to be of greatest value. In this unusual Spring season, after a Winter remarkable for the sickness which prevailed, a Blood Purifier and Tonic is needed to expel from the life current every trace of impure matter, and to stimulate, strengthen and build up the system and prepare it for the warmer weather of Summer. To accomplish this

Recamier Sarsaparilla

should be freely used, as a Blood Purifier of the highest value. It acts with quick yet pleasant potency upon the Stomach, Liver, Kidneys and Bowels. Is cleansing, soothing and invigorating, reconstructs the wasted tissues, restoring to the entire system perfect health. By its use Catarrh can be cured by the expulsion of the scrofulous taint from which the disease arises, neutralizing the acidity of the blood. To sufferers from Rheumatism there is nothing like it in the world. It will effect a cure where cure is possible.

Recamier Sarsaparilla

overcomes "that tired feeling," and gives a serene and satisfactory feeling of physical improvement which is comforting. It is an excellent promoter of strength, and a general health rejuvenator after Scarlet Fever, Pneumonia, Diphtheria and other diseases that are prostrating. Do not lose sight of the fact that the vitiated blood, contaminated either through heredity or by careless neglect of proper precaution, gives early notice of danger by the unmistakable "danger signals" which soon begin to make their appearance. It is indicated in many ways; among them are inflamed and purulent eyelids, disgusting eruptions on the scalp and other parts of the body, irregular appetite, irregular bowels. It affects all parts of the body. The sufferers from any of the many diseases, disorders, or enfeebled secretions enumerated above may rest assured that in this preparation they have the best remedy that science affords.

Recamier Sarsaparilla

is a Spring Medicine, pre-eminently superior to all others. A medicine pure and simple, not a beverage.

Success beyond all comparison has attended its presentation wherever it has been introduced, placing it above and beyond all others of like description in the world.

PRICE, \$1.00 PER BOTTLE.

The trade supplied in Canada by the

50 Wellington St. East, Toronto. **RECAMIER MANUFACTURING CO.,** 374-376 St. Paul St., Montreal.

HOMESTEAD REGULATIONS.

All even numbered sections, excepting 8 and 26, are open for homestead and pre-emption entry.

ENTRY.

Entry may be made personally at the local land office in which the land to be taken is situate, or if the homesteader desires, he may, on application to the Minister of the Interior, Ottawa, or the Commissioner of Dominion Lands, Winnipeg, receive authority for some one near the local office to make the entry for him.

DUTIES.

Under the present law homestead duties may be performed in three ways:

1. Three years' cultivation and residence, during which period the settler may not be absent for more than six months in any one year without forfeiting the entry.
2. Residence for three years within two miles of the homestead quarter section and afterwards next prior to application for patent, residing for 3 months in a habitable house erected upon it. Ten acres must be broken the first year after entry, 15 acres additional in the second, and 15 in the third year; 20 acres to be in crop the second year, and 25 acres the third year.
3. A settler may reside anywhere for the first two years, in the first year breaking 5 acres, in the second, cropping said 5 acres and breaking additional 10 acres, also building a habitable house. The entry is forfeited if residence is not commenced at the expiration of two years from date of entry. Thereafter the settler must reside upon and cultivate his homestead for at least six months in each year for three years.

APPLICATION FOR PATENT

may be made before the local agent, any homestead inspector, or the intelligence officer at Medicine Hat or Qu'Appelle Station.

Six months' notice must be given in writing to the Commissioner of Dominion Lands by a settler of his intention prior to making application for patent.

Intelligence offices are situate at Winnipeg, Qu'Appelle Station and Medicine Hat. Newly arrived immigrants will receive, at any of these offices, information as to the lands that are open for entry, and from the officers in charge, free of expense, advice and assistance in securing lands to suit them.

A SECOND HOMESTEAD

may be taken by any one who has received a homestead patent or a certificate of recommendation, countersigned by the Commissioner of Dominion Lands, upon application for patent made by him prior to the second day of June, 1887.

All communications having reference to lands under the control of the Dominion Government, lying between the eastern boundary of Manitoba and the Pacific Coast, should be addressed to the Secretary of the Department of the Interior, Ottawa, or to H. H. Smith, Commissioner of Dominion Lands, Winnipeg, Manitoba.

A. M. BURGESS,
Deputy Minister of the Interior.

Department of the Interior,
Ottawa, Sept. 2, 1889.
