**Well-chosen Materials,  
Labor-saving Machinery,  
Musical Knowledge and Experience,  
Refined Taste in Decoration,  
Division of Manual Labor,  
Active Personal Supervision, and  
Ample Capital.**  
The Messrs. SMITH believe that their FACILITIES ARE UNEQUALLED and that their establishment cannot be surpassed in any of these particulars.

But it is not claimed that the AMERICAN ORGAN is sold at the lowest price,—as the manufacturers have no desire to waste their time upon feeble and characterless instruments, nor to furnish a supply of dissatisfactions, even at the low price of \$50 each. Nothing worthy can be produced for such a sum  
BY ANY HOUSE WHATEVER.  
THE Messrs SMITH mean to make ONLY the best reed instruments, and they are satisfied that the discriminating public is willing to pay the value of what it gets.

**THE AMERICAN ORGAN**  
is elegant in appearance,—thoroughly constructed,—with powerful and steady bellows,—with exquisitely-voiced reeds,—finely contrasted qualities of tone, and ingenious mechanical contrivances for increase of power and for expression.  
This excellence is not the result of chance, but follows their well-devised system, so that each Organ is perfect of its kind; there is no more chance for inferior work than in the Springfield Armory.  
EVERY INSTRUMENT IS WARRANTED.  
An elegantly Illustrated Circular, containing descriptions and prices, will be sent, post-paid, on application.

**Ayer's Cathartic Pills,**  
For all the purposes of a Laxative Medicine.  
Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cures them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we do not publish them, every neighborly and kind heart would publish them, containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them over fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity. They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by connecting, wherever they exist, such derangements as are the first origin of disease. Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—  
For **Dyspepsia or Indigestion, Listlessness, Languor and Loss of Appetite,** they should be taken moderately to stimulate the stomach and restore its healthy tone and action.  
For **Liver Complaints and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.  
For **Dysentery or Diarrhoea,** but one mild dose is generally required.  
For **Rheumatism, Gout, Gravel, Pain of the Heart, Pain in the Side, Back and Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change these complaints disappear.  
For **Dropsy and Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.  
For **Constipation** a large dose should be taken as it produces the desired effect by sympathy.  
As a **Dinner Pill,** take one or two Pills to promote digestion and relieve the stomach.  
An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, but who finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

**Ayer's  
Hair Vigor,**  
For restoring Gray Hair to  
its natural Vitality and Color.  
A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
