Ayer's Sarsaparilla. Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poisons. It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

PREPARED BY Dr. J. C. AYER & CO., Lowell, Mass., Practical and Analytical Chemists. SOLD BY ALL DRUGGISTS EVERYWHERE. Messrs. DEVINS & BOLTON: Dear Sirs—I with pleasure concede to the Agents wish that I give my endorsement to the immediate relief I experienced from a few doses of Dr. Stiller's Diamond Rheumatic Cure, having been a sufferer from the effects of Rheumatism, I am now after taking two bottles of this medicine, entirely free from pain. You are at liberty to use this letter, if you deem it advisable to do so. I am, Sir, yours respectfully, JOHN HELDER ISAACSON, N.P. Montreal, 17th March, 1874. Messrs. DEVINS & BOLTON: Gentlemen—I have suffered much with rheumatism, so much so that I was obliged to stay at home a certain time. I heard Mr. O'Neill, of the St. Lawrence Hall, speaking of your remedy. I asked him to get me a bottle immediately, which he did with great kindness. To my great surprise that bottle has cured me entirely, and I never felt better in my life. I attribute the use of my limbs to the "Diamond Rheumatic Cure." JAMES GALLAGHER, 68 Jurot Street, Corner of Hermine. A BLESSING TO THE POLICE. Montreal, 18th June, 1874. Messrs. DEVINS & BOLTON: Gentlemen—Having been one of the many martyrs of rheumatism that I meet on my every day rounds, I was induced to try the celebrated DIAMOND RHEUMATIC CURE. I had suffered the last five or six weeks the most terrible acute pains across my loins and back, so severe indeed that I could hardly walk with the help of a stick. I commenced the Diamond remedy, following the directions carefully—relief came immediately with the first bottle; improved rapidly with the second, and completely cured and free from pain after finishing my fifth small bottle. You are at perfect liberty either to refer to me privately or publicly, as I feel very thankful for the relief, and sympathize with my fellow-sufferers from Rheumatism. Yours respectfully, J. B. CORDINOE, Sanitary Police Officer, 61 Eabellie Street. FURTHER PROOF. Toronto, March 30, 1874. Dear Sir—After suffering for the past two years with Rheumatism, I can truly say that, after using two bottles of the DIAMOND RHEUMATIC CURE, I find myself free from that terrible disease. I have used all kinds of remedies and Doctor's prescriptions without end, but your simple remedy surpasses all. The effect upon me was like magic. I take great pleasure in recommending your medicine to all. I remain, MARGARET CONROY, 127 Sumach Street. This medicine is prepared by a careful experienced and conscientious physician, in obedience to the desire of numberless friends in the profession, in the trade and among the people. Every bottle is warranted to contain the full strength of the medicine in its highest state of purity and development, and is superior to any medicine ever compounded for this terrible complaint. In simple cases sometimes one or two doses suffice. In the most chronic case it is sure to give way by the use of two or three bottles. By this efficient and simple remedy hundreds of dollars are saved to those who can least afford to throw it away, as surely it is by the purchase of useless prescriptions. This medicine is for sale at all druggists throughout the Province. If it happens that your Druggist has not got it in stock, ask him to send for it to Messrs. DEVINS & BOLTON, NOTRE DAME STREET, MONTREAL, General Agents for Province of Quebec, or to Messrs. NORTHROP & LYMAN, SCOTT STREET, TORONTO, General Agents for Ontario. Price \$1 per bottle. May 22, 1874.

PAY NO MORE FEES. QUACKS CONFOUNDED. Rheumatism and Gout have heretofore been considered by the ordinary practicing physicians as incurable diseases, and the query has often been propounded, of what benefit to the helpless sufferer is all their pretended science; and what do it avail, —their long and tedious course of study—if they are obliged to acknowledge that all their resources are to no account when called upon to prescribe for a patient suffering from chronic rheumatism. The great trouble lies in the fact that the mode of investigation is prescribed within certain boundaries and limitations compelling the student to tread in certain well-worn paths, or suffer disgrace and excommunication from that highly respectable order of mortals known as the Medical Faculty. How often genius has been curbed in its flights of investigation can easily be imagined. And often really grand and beneficial discoveries have been placed under the ban of censure by those self-constituted censors, for no reason whatever, but that they are innovations upon a stereotyped and time honored prescription. It was not so, however, with the proprietor of the Diamond Rheumatic Cure, for his high standing in the profession, and the learning and science of an able mind, quickly compelled the censure to succumb, and now physicians generally, all over the world, where this medicine is introduced, admit of its wonderful efficacy, and often prescribe it for their patients. Of course the use of the DIAMOND RHEUMATIC CURE, without the aid of a physician, is a saving in fees to the sufferer, but the really conscientious physician should rejoice at this, for the reason of the general benefits arising to mankind from its use. READ WHAT THE PEOPLE SAY. Montreal, 21st March, 1871.
