We seldom recommend a manufactured medicine, believing that, in most cases, nature herself perfects a cure more rapidly and effectually than can be acare chronic features about it, which very often defy all efforts of nature to create a healthy action of the digestive organs, and it not unfrequently happens that thousands suffer for years, diseased both in body and in mind, from indigestion and its kindred ills. To such, Hooffand's German Bitters, prepared by Dr. C. M. Jackson, are truly a most valuable prepara- | Montreal C. E. tion. It is a tonic medicine, giving a healthy action to the stomach, and will be found highly serviceable at all seasons, but especially during the Spring. Dyspepsia can only be cured by a patient perseverance in one courses of treatment; and to all those suffering under this sad malady, we would recommend an application to the Depot of Hoofland's German Bitters, No. 631 Arch Street, Philadelphia .-Philadelphia Inquirer.

MURRAY & LANMAN'S FLORIDA WATER. -- From the early days of Spanish Discovery, Florida has been celebrated for the spicy odor of its flowers and shrubs. Here we have the floating incense of its wild gardens and aromatic groves concentrated and placed under seal. This floral water derives its fragrance from the fresh leaves of tropical blossoms and plants. The perfume will lose nothing by com parison with that of the choicest Rhenish Cologne, and is infinitely superior to that made in Paris, while it is scarcely more than half the price of either. THE MOST IMPORTANT ANNOUNCEMENT

SINCE THE

SURRENDER OF GENERAL LEE,

Is that of M'GARVEY'S determination to REDUCE the Price of his entire STOCK FIFTEEN PER CENT. THE Subscriber, in returning thanks to his Friends and Unstomers for the liberal patronage extended to him during the last 15 years, wishes to inform them of the extension of his SHOW ROOMS and STOCK during the past winter, in order to supply the increasing demands of his business, and especially since his removal to the new buildings, notwithstanding the reports that some of his rivals in trade have endeavored to circulate of his having been sold out and left the place. These statements have been made to many of my customers with the hope that they would take no further trouble in finding out my new place of business. These and similar contemptible statements, which I consider too low to take further notice of, have induced me to make a few remarks. First, I would say that I am not sold out, neither have I left the city, but can be found any time during business hours at my new warerooms, Nos. 7, 9, and 11 ST. JUSEPH STREET, second door from M.GILL STREET. I call on any party in Cadada or the United States, from whom I have perchased goods since my commencement in busicess, to say if I owe them one dollar after due or ever had an extenual or renewal during that time.-If those parties would only devote their time and attention to business as I' have done, they would not have to resort to such contemptible means of getting trade. Seeing the desire that exists with a portion of the trade to run me off the track, I am now aroused to a new emergency, and determined to reduce the prices of my goods at least FIFTEEN PER CENT., which the advantage of the largest and best adapted premises, together with getting up my stock entirely for cash during the past dull winter, will DAILY ROYAL MAIL LINE justify me in doing, having given up importing Chairs and Furniture from the States for the last two years, and engaged largely in the manufacture of Cane and Wood Seat Chairs and Furniture of every description, and made the Chair business a very important branch of my trade, having now on hand over 11,000 Cane and Wood Seat Chairs, of 32 different patterns, many of which are entirely new My prices will be reduced on and after styles. Monday, the 17th instant, as follows :- Wood Seat Chairs formerly 35 cents, will be sold at 30 cents, and every other kind of Wood Sea: Chairs will be reduced from 5 to 10 cents, large Rockers, with arms, \$1,15, formerly \$1,30, and every style of Cane Seat Chair will be reduced from 10 to 25 cents. The nsuel line o discount will be alllowed to the trade and all wholesale customers. To enumerate my stock would be useless, but I will give an outline of my new buildings and a few leading articles of stock.

AYER'S CATHARTIC PILLS

ARE the most perfect purgative which

we are able to produce or which we think has ever yet been made by anybody. Their effects have abundantly shown to the community how much they excel the ordinary medicines in use. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone with strength to the whole system. Not only do they cure the every day complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and, being purely vegetable, and tree from any risk of harm. Oures have been made which surpass belief, where they not substantiated by men of such exalted position and character, as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that,

of our afflicted, suffering fellow-men. The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the follow-

Costiveness, Bilious Complaints, Rheumatism,
Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidney, Gont, and other kindred complaints arising from a low state of the body, or obstruction of its functions.

TORTURES OF THE HEAD. - Imperfect digestion with its variable concomitants, a sympathetic dis-turbance of the liver and bowels, is the exciting cause of sick and nervons headaches. Why endure their excuciating agony when a course, and in some cases one dose of BRISTOL'S SUGAR-COATED PILLS will remove cause and consequences together. Chronic headache, of most obstinate type, inevitably and quickly yields to this mildest and most effica-cious of all cathartic and antibilious medicines which no disease proceeding from a disordered stomach, a morbid state of the liver, irregularity or constipation of the difficulties incident to the weaker sex, can long withstand. In all cases where the liver is seriously affected, BRISTOL'S SARSAPA-RILLA, the most potent purifer of the animal fluids the world has ever known, will greatly facilitate a a cure. They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SAR-SAPARILLA should be used in connection with the Pills. 423 J. F. RUNNING AT THE EARS

OF TWO YEARS STANDING COMPLETELY CURED!

The following is one of many similar Testimonials which we have in our possession, and which prove that for any kind of Scrotulous Running, the Sarsaparilla and Pills are a safe, sure, and speedy remedy. York St., Toronto, C.W., Jane 27, 1864.

Messrs. Lanman & Kemp:

Gentlemen,-As a statement of my case may be beneficial to others afflicted as I was, I give you the following particulars with pleasure :-

About two years and a-half ago, my ears became sore inside, and a little yellow matter would gather there. After some months, the quantity of matter became much greater, and very offensive, and to keep it from running down on my neck, I had to wear cotton stuffed into both ears. This continued for a little over two years. During that time I had tried a great many different medicines. The Doctors told me it was the result of a scrofulous tendency in my system. I then got a bottle of your BRISTOL'S SARSAPARILLA, and a phial of the BRISTOL'S SUGAR COATED PILLS. For the first few days these medicines seemed to increase the discharge, but I persevered in their use, and after using seven bottles of the Sarsaparilla, and three bottles of the Pills, and now entirely free from any discharge at the ear, and my general health is better than it hos been for years.

Cheap Catholic Periodical for General Reading. "THE LAMP,"

New and Improved Series. Weekly Numbers, price athly parts (post free), price Lamp in 1865.

It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prelate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased, and directed me to send you his blessing, that you and all your works may prosper.' We have also had the assurance of the satisfaction of his Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributions from his pen which are to be found in our columns. We are authorised to say that "His Eminence has been much pleased with the progress

of the Lamp, and the position it has taken.' Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfruitful, and the approval of his Eminence, the Conductor of the Lamp looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp : much remains to be done; and it rests chiefly with Catholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-got up Protestant publications, and ask why Catholics cannot have something as good in point of material, ability, illustrations, &c. Nothing is more easy. If every Catholic who feels this, and who desires to to see a Catholic Magazine equal to Protestant one, will take in the former for a year, there is at least a good chance of his wishes being realised. If every priest would speak of the undertaking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor-pulications which can hardly be called Protestant, because they have no religion, and often openly teach immorality-the success of the Catholic Magazine would be assured. It is their immense virculation, and the support they obtain from their respeneetive political or religious parties, which enables these journals to hold their ground; and unless Catholics will give their hearty and cordial support to their own periocals in a similar manner, it is impossible for them to attain supe-

The New York Tribune says, the reason why Drake's Plantation Eitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon

the people once and that's the last of them. The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stabborn things. . . I owe much to you, for I verily believe

NEW BEDFORD, Mass., Nov. 24, 1863. Dear Sir :- I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Piantation Bitters, prevailed upon me to try them. I commenced with a small wine glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.—Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq. of 159 West 14th Street, N.Y, says, 'he has three children, the first two are week and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters
