6 doors West of Church Street Toronto.

Has commenced selling off The entire Stock at a Reduction that will correspond with the above assertion, that is from 15 to 25 per cent. below the usual selling prices - which has always been as law as others in the trade, if not a little lower. These inducements will not continue to be held out for a long time, and could not be given in the ordinary way of doing business. The object now is to sell out the whole Stock and not to make profit. An inspection of the stock and prices will convince all candid persons that the Reduction is a reality.

J. C. would call particular attention to his MILLINERY DEPARTMENT, which will be found very large; entirely too numerous to enumerate.

His DRY GOODS DEPARTMENT will be found replete and furnished with all that is requisite for family furnishing.

J. C. does not quote prices in his advertisements; but condemns the habit fallen into by some of our respectable tradesmen of this city of quoting prices for goods that every reasonable and candid person will at once admit to be erroneous and absurd. You are respectfully requested to Call and examine the goods, enquire the Prices and be your own judge as to their value.

J. C. Would dispose of the Stock in one lot, togetherwith his interest in the premises, and the Shop fixtures. The Stand is a good one and the house in neat order.

HOLLOWAY'S PILLS.

Cure of a Case of Weakness and Debi-lity, of Four Years' Standing.

Extract of a Letter from Mr. Smith, of No. 3 Little Thomas Street, Gibson Street, Lambeth, dated Dec. 12, 1850. To Professor Holloway,-

To Professor Holloway,—
Sin,—I beg to inform you that for nearly five years thardly knew what it was to have a day's health, suffering from extreme weekness and debility with constant nervous from extreme weakness and debility with constant nervous headaches, giddiness and sickness of the stomach, together with a great depression of spirits. I used to think that nothing could benefit me, as I had been to many medical meu, some of who after doing all that was within their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that wothing could be done for me. One day, being unusually ill and in a dejected state, I saw your Fills advertised, and resolved to give them a trial, more perhaps from curiesity than a hope of being cured, however. I soon found myself better by taking them, and so I presevered in their use for six months, when I am happy to say they effected a perfect cure.
