VALUES ESTABLISHED BY AN APPRAISAL

Are of vital importance in the successful management of an up-to-date Manufacturing concern.

FIRE INSURANCE

When based on values set up by a modern and reliable Appraisal dispels from the mind of the manufacturer the fear that he is either under-insuring or over-insuring his physical assets—and at the same time assures him of a satisfactory adjustment in case of loss by fire—the Appraisal acting as **sound proof**.

In case of purchase or sale, stock and bond issue, statements to shareholders, etc., values established by a reliable Appraisal are unquestionable.

Our Plant Ledger is a medium whereby our Appraisals can be used to advantage by your Accounting Department at all times as a sound basis for your cost accounts and for keeping complete detailed data of unit repair cost and Capital additions to Plant.

We respectfully solicit your correspondence. Our Representative is ever willing to call at your convenience and discuss our system of Appraisal.
