**Mercantile Summary.**  
 W. H. LEVI doing a small clothing business  
 on Queen St. near James St., Toronto, has left  
 for parts unknown; liabilities small.  
 AS AN illustration of the productive capacity  
 of our oil territory it has been stated that from  
 a patch of six acres in the Petrolia district, oil  
 to the value of \$800,000 has been obtained  
 within five years. We hear that \$80,000 has  
 been offered for a well on this territory.  
 IN THE LAST fiscal year the product of the  
 Dominion fisheries was \$7,573,200 being nearly  
 one million dollars in excess of the previous  
 year. About fifteen millions of capital and  
 87,000 persons are employed in the business—  
 figures which show that the trade in fish takes  
 a prominent place among the productive indus-  
 tries of the Dominion.
