University of Mount Allison College.

JAMES R. INCH, LL.D., PRESIDENT.

THE University of Mount Allison College offers to students, whether desiring to take a full under-graduate course or a partial course limited to special studies, advantages unsurpassed in the Maritime Provinces. The brilliant record of Mount Allison men at some of the leading Universities of England, Scotland, Germany and United States, as well as the success of her under-graduates in competitive examinations elsewhere, establish beyond question the thoroughness and comprehensiveness of the education received at this University.

A Gymnasium erected and furnished with all modern appliances for physical development, during the past year, has proved to be an important auxiliary to the educational work. Further efforts will be made during the present year to increase the efficiency of the institution and to add to the comfort of students.

Special facilities will be afforded to ladies wishing to pursue the full under-graduate course, and to teachers who may need to teach during the summer term.

The next term opens August 30th. Send for Calendar.
