

- DND will delete 9 military and 2 locally-engaged positions from the staff of CDLS London and 16 military positions from the staff of CDLS Washington. Over the next year, DND will be examining its administrative and logistical support functions in London and Washington, with a view to identifying additional personnel reductions.
- DSS will eliminate 1 Canada-based position in London and 2 locally-engaged staff positions in Washington. Labour Canada will eliminate 1 Canada-based position in London.
- EAITC will recover the costs of all services provided to departments operating programs abroad that are not elements of Canada's foreign relations program, with staff quarter and office accommodation costs being recovered at fair market rates.
