Source: Data by Secretaría de Comercio y Fomento Industrial

As can be seen in Table 1, total imports increased by 28.3% in 1989, from \$58.6 million to \$75.2 million. In 1990, they grew by an additional 48.3% and further 147% in 1991. In order to analyze the above listed data by category, the following table shows annual growth rate by subsector and the participation of each category in total imports.
