

3.2. Each Party reserves the right to make public the results of any conformity assessment reports in situations where public health may be affected.

4. RESOLUTION OF DIVERGENT VIEWS

4.1. Divergent views which have not been resolved between the regulatory authorities will be referred to the Joint Sectoral Group for resolution. In the event that the Joint Sectoral Group is unable to resolve these divergent views, either Party may bring the matter to the attention of the Joint Committee.

5. MANAGEMENT MECHANISM

5.1. A Joint Sectoral Group will be established for the purposes of management of this sectoral Annex. Its role will be to make decisions concerning the definition, establishment, and evaluation of conformity assessment procedures and programmes, the establishment of the "two-way" alert programme, the management of the confidence building period and the definition of a maintenance programme supporting the continued operation of the MRA. The Group will include representatives of Health Canada and of the European Community's Competent Authorities and co-chaired by a member of each of the two Parties.
