Dear Friend

Please allow me to thank you, very much, for your kind and considerate letter, you sent me on the first of this month. I can assure you, I appreciate your kind offer to assist me, in obtaining a position in the Civil Service. Since I received your answer, I have quietly found out, that, there is a vacancy in the Custom Dept., owing to the death of one of its members, also, I filled out an application form, for extra work, during the holiday rush in the Postal Service. The same forms are used in all applications, both Customs & Postal Service.

I enclose Post Card of acceptance of same from Secy Foran.

In regard to the Special Plain Clothes Work in the R.C.M.P., I find out that, there is no Physical Examination necessary, for such work, but, appointments are made by the Officer Commanding each District, in this case.

Lt Col D. W. Duffus # 416 Bender St. Vancouver.

I will write the Secy W. Foran, of the Civil Service Commission, for the necessary form, to fill out at an examination, by the Rev B. Campbell here, as I have called on him, and he has promised me any help, he can give me. When I have sent my papers in, I will write you again and let you know.

I hope you won't think I am troubling you too much, in this matter.

Again thanking you, and wishing you & Lady Currie, many a merry Christmas and Bright & Prosperous New Years to come,

Yours Faithfully J. Jones
