Sir Robert Falconer,
President, Toronto University,
Toronto, Ont.

Dear Sir Robert:-

I thought I had best send you a
copy of a letter which I have received from Dr.
Lockwood and a copy of my reply thereto.

You will note that Dr. Lockwood
speaks of a concerted effort being made to obtain
the Nobel prize for one of your staff and I think
I should let you, personally, know why I am holding
aloof.

With all good wishes, I am,

Yours faithfully,

Principal.
