Dear Sir Arthur:-

I have your note of the twenty-sixth regarding Judge Feetham's report. To my mind one good way of distributing the copies would be to send half-a-dozen or so to each branch of the Canadian Institute of International Affairs for presentation to members most interested in Eastern questions. I presume that John Nelson has the addresses of all the secretaries, and he would probably be glad to look after the matter himself.

Incidentally, I am handing over the duties of chairman of the Montreal branch to Mr. W.M. Birks, who was unanimously elected at our annual meeting, and he has accepted the office.

Yours sincerely,

P.E. Corbett.
