

Once more I must add a supplement to the list of selected books for the student.

*On the Science of Language :—*

H. Paul: "Principles of the History of Language," translated by H. A. Strong. London, 1888.

R. de la Grasserie: "Des Relations grammaticales considérées dans leur Concept et dans leur Expression, ou de la Catégorie des Cas." Paris, 1890.

*Comparative Aryan Philology :—*

K. Brugmann: "Grundriss der vergleichenden Grammatik der indogermanischen Sprachen." Vol. II. (Pts. 2 and 3). Strassburg, 1890-92. [To this was added in 1893 a volume of Indices, and the first volume of Delbrück's Comparative Syntax.]

P. Regnaud: "Éléments de Grammaire comparée du Grec et du Latin." Vols. I. and II. Paris, 1896.

*Sematology :*

M. Bréal: "Essai de Sémantique (Science des Significations.)" Paris, 1897.

*Comparative Syntax :—*

B. Delbrück: "Syntax" in K. Brugmann's "Grundriss der vergleichenden Grammatik." Strassburg, 1893.

*Language and Ethnology :—*

O. Schrader: "Sprachvergleichung und Urgeschichte." Jena, 1890. [Nominally a new
