THE "BOSS" TURBINE

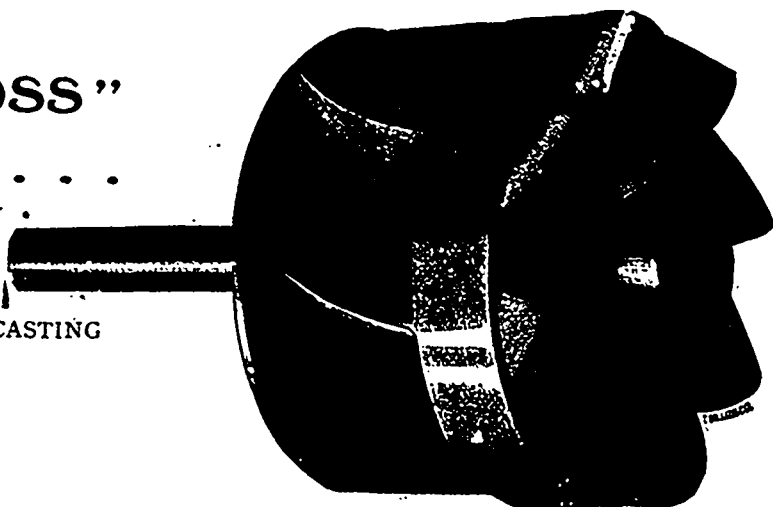

GIVES the highest percentage of useful effect for every cubic foot of water used. No swinging gates, no arms, no rods. Six CASTINGS comprise the entire wheel.

The easiest working gate of any wheel made; revolves on steel balls, therefore, moves without friction. Easily controlled by governor.

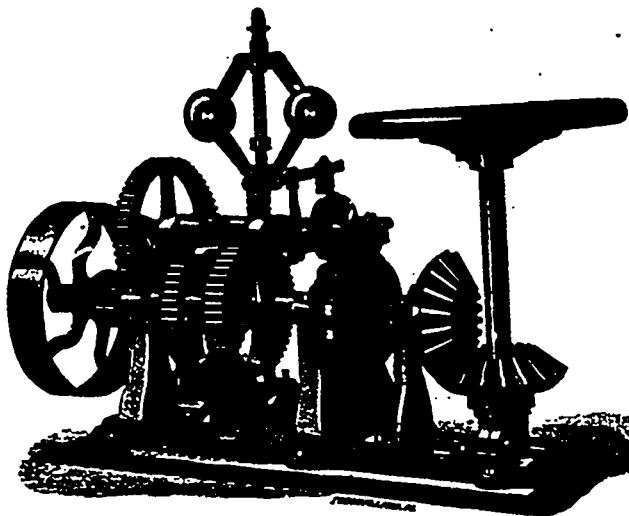

The "BOSS" Wheel

IS MADE IN DRY
SAND MOULD;
ONE COMPLETE
SMOOTH, EVEN CASTING

Improved Water Wheel Governor

Most simple, durable, and efficient of any in use. Corrects quickly any disturbance of motion of machinery driven by water power.

Any deviation from the correct speed, however slight, affects the action of the governor upon the gate, and it quickly brings the speed up or down to its proper point.
