

The New Lacrosse Constitution

Note and Comment

The Toronto A.A.C. team get better every day at practice, and stand a chance of defeating Varsity in the semi-final, so the main street cheerers are not to be surprised if the team are following the example of the team and are figuring out trick plays to be turned loose on the villagers.

Yes, the Hamilton shopkeepers are already alarmed, and several along the main street declare they will take in their pumps and put up their shutters early in the evening, 'Gosh!

Some of the general storekeepers suggest taking time by the forelock, and want to have Mayor McLaren write to the faculty of the university and acquaint them of the manner in which the coming visit of the students was regarded in Tigertown, and inform them that the city would hold the university responsible for any damage done. In the event of the university refusing to assume the responsibility, the business men feel that the mayor would be justified in arranging for reinforcements for the police, whether from the military or special constables.

Dr. Barton of the University Athletic Association was in Hamilton yesterday making arrangements for the championship game with the Tigers a week from today. "Nobody needs fear that there will be lack of accommodation," said he last night. "Whether Varsity wins, or if A. A. C. there will be lots of room for all the crowds that make the journey to Hamilton."

The latest is that McGill will protest Varsity because McGill is a professional hockey player.

Norton Crow remembers the case of Kennedy distinctly. He was one of the Cobalt hockey team that was in the line-up. Hal appeared before the registration committee on Saturday, obeyed instructions and in due time was reinstated.

Kid Smith of Hamilton, Mr. Crow says, is also in line for reinstatement, his case being somewhat similar to that of Kennedy. The Smith has never made declaration of a period of two years from the date of the last match played by him outside of the union in violation of the rules. Any player whose conduct in the opinion of the president was such as to bring discredit on the union, may be fined, the amount not to exceed \$100, or may be suspended, or both.

Clubs on whose grounds matches shall be played, shall allow the visiting club expenses under the following schedule: Between Cornwall and Montreal, \$80; Ottawa and Cornwall, \$100; Ottawa and Montreal, \$100; Toronto and Montreal, \$200; Toronto and Cornwall, \$200; Ottawa and Toronto, \$200; Cornwall and Toronto, \$200.

Tigers at Practice.

HAMILTON, Nov. 15.—(Special).—The Tigers were out again in full force at the Hamilton A.A.C. grounds this evening. The workout was under the supervision of Sep. DuMoulin. The most noticeable feature about it was the improvement of the back division. Last evening the backs were all to the back during the onside kick practice, but this evening they caught better and got away like shots from a gun. The wings were given lots of following-up exercise. It is now pretty definitely decided that George Smith will not be in the game, as his knee is not in shape. Huckle Bramer is anxious about his ankle, but Jim Vaughan, the Tiger trainer, thinks he will be o.k. when the Varsity players get here.

Junior S.P.S. Will Be in the Finals of the Mulock Cup Series.

The Junior S.P.S. will be in the finals of the Mulock Cup series. At Varsity athletic field yesterday afternoon the school administered a decisive defeat to the Junior Meds., the latter team failing to notch even one point. The science men played a good game and outlasted the Meds. in every quarter. Webster did some sensational running and covered 20 yards for a touch in the third quarter. Gray at half-back also played well. Martin did not catch a safety touch and kick to dead-line in the second quarter, making the score at half time 5-0 in favor of S.P.S. Meds. tackled well in the first half, but the science men were faster. S.P.S. gained six additional points in the third quarter, making the score at three-quarters 13-0. The score by quarters was:

First—S.P.S. 5, Meds. 0.
Second—S.P.S. 5, Meds. 0.
Third—S.P.S. 11, Meds. 0.
Fourth—S.P.S. 3, Meds. 0.

Rugby Gossip.

The Parkdale Juniors are practicing hard for their return game with the Hamilton Alerts on Varsity field on Saturday. The Alerts have a lead of 12 over the Juniors, but Parkdale are determined to overcome this handicap. Last night the boys had a good workout on the Brock-a-way grounds and will be out again every night this week. The following players are requested to be out tonight: Forgie, Adams, Cummings, Henderson, Grahame, Leonard, Spicer, Russell, McDonald, Brown, Myers, Malard, Pell, Edwards, Roden and Doane.

The Tigers will attend the Varsity-T.A.A.C. game here on Saturday in a body.

George Smith has given up the idea of going to get in shape for the game with Varsity. His knee is still weak and he will not be able to practice this week. Varsity has Graham, Leonard, Spicer, Ballantyne, Binkley, Cobey, McKenzie, Simpson, Field, and generally manages to get an over.

Varsity I. won't take any chances on Saturday and will play the game with all the vigor they can muster. The boys and Varsity are concerned. The collegians expect to play a stiff game.

If T.A.A.C. are being underestimated in some quarters it is not so far as Varsity is concerned. The collegians expect to play a stiff game.

Speakers at the campus yesterday afternoon witnessed one of the most exciting practices that the champions have subjected to this season. Intricate plays of all kinds before everyone were reported to and some time was spent at the second.

George wore his legs yesterday for the first time since he got his leg under him. He did not take part in any of the mix-ups, but occupied his time with running drills.

Varsity II. spent two hours of hard practice yesterday afternoon at the Brock-a-way grounds. B.C.M. will have to play some Rugby at Peterboro if they intend to beat the second.

Two hundred men in white sweaters are wanted for the Osgoode rink on Tuesday afternoon. They will be issued tickets of admission at 25 cents.

The form Rugby championship at Harbord was decided yesterday, when V. and Varsity, Captain Rose, defeated H. G. and A. and B. Captain Geo. Bickle, 10 to 2. The grade championship is still to be decided between the upper, middle and lower.

Alexandra Yacht Club.

The annual meeting of the Alexandra Yacht Club will be held in Birrell's parlors, East Queen street, tomorrow evening. Those who are interested in the past at-homes just live one year that they may attend the next. The boys of the club expect that their friends, ladies and gentlemen, who are alive, will again be invited to their company.

U. of M. Coming for Allan Cup.

WINNIPEG, Man., Nov. 16.—In all probability, the University of Manitoba hockey team, winners last year of the national championship of the continent, will go east after the Allan Cup. The team challenged last year, but by the time the season was over it was so late the trip was called off. Even if the team does not go east after the cup, it is very probable a trip east will be arranged about Christmas time. The Manitoba Varsity boys have been ambitious for some years to see how they will measure up beside the university teams of the east, and have an idea they could take the measure of Toronto, Queens and McGill. If it can be proved they will likely go east this year to find out.

Toronto Cribbage Club.

A meeting of the Toronto Cribbage Club is called for to-night at 8.30 at the Grenadier Sergeants' Mess, 7 West Queen-st., which all interested in the game are invited.

Temperance in its true sense does not and should not prohibit the sensible use of adults of a beverage so rich in health like a Regal Lager. This delicious, milder beer greatly aids digestion.

If there are a couple of good bowlers holding Allied Printing Trades cards who want to connect themselves with a good team, apply to The Saturday Night team in the Printers' League.

A much-talked-of bowling match between the Eaton Company was rolled on Tuesday night. Eddie Prier of the store team and George Warren of the factory team had a merry battle, Eddie winning out by eight pins on the night's play. Eddie's team also won two of the three games.

EMMETT SHOE TAKE TWO BUSINESS LEAGUE GAMES

Crown Tailoring Annexing the Middle—Printers' and All the League Scores.

In the Business Men's League at the Toronto Bowling Club last night Crown Tailoring won their initial game of the season. Emmett Shoes, their opponents, won the decision by annexing the last game. Doc Reeve, like the proverbial bird, has come back and was the lucky penny for the five little tailors, for Doc came right back with 177 count, which materially helped to nose out the Emmett boys in the middle game. Emmett last count netted him 173 pins. Crown Tailoring led over the 500 mark. George Tolley leading with 67, Walter Armstrong second with 62 and Steve Staughton third with an even 500.
