Jealousy in Oregon. Persons who estimate strawberry short-cake by the square foot, as they do in Massilion, Ohio, would try to buy the Apollo Belivedere by the ton. The Massilionites devoured a monstrous shortcage whose area was 41 square feet the other day and were proud of the fact. The next thing we hear of them they will be roasting the fattest boy in town for a barbecue. The judicious value a strawberry shortcake for its sapidity.
