FIVE GOAL LEAD FOR TIGERS IN FIRST ALLAN CUP CONTEST

Western Champions Opened Strong and Then Faded--Tigers Had Much Better System of Attack, and Always Looked Best.

Hamilton Tigers successfully stemmed the invasion from the west last night in the first Allan Cup game. Selkirk, Manitoba and western senior champions, were defeated, 6 to 1, and Tigers carry a five-goal lead into the second game, on Thursday.

Something unusual will have to happen for the westerners to lift the silverware. Selkirk started out like a real team, with poke-checking that smashed every Hamilton attempt, in the first ten minutes, and then were thru for the night, as far as winning the game was concerned.

The Tigers got their passing working half-way thru the first period and steadily increased the margin, until the men from the west were out of it, early in the second period.

No Team Play. Selkirk had speed, were earnest in their work, but fell down badly when it came to work close in to the net. They had many chances early, but lost them away by not playing a passing game when in close. They tore in the first ten minutes, but couldn't get the goals.

Hamilton ran in the first period, and scored the only tally of the last twenty minutes. The last goal was scored by Reaume in the mouth of the fans. Nasty checking was the order, with Hamilton the chief offenders, and argued every time he was chased. Selkirk stood up nobly here, and the game was a good one.

Hamilton won the toss and elected to play under the O.H.A. rules of three twenty-minute periods. On Thursday the two half-hour periods will be in vogue, as the western rules call for.

The western invaders surprised the fans with their checking and speed in the first period. They tore in like a lot of hornets and backed up the Tigers into their own quarters for the first ten minutes. Mattie Reaume took the burden upon his shoulders and tried to break away from the press. The Manitoba forward, poke-checked the puck away each time.

Reaume was the coolest man on the Hamilton team. He tossed aside dozens of shots. Hughes and Oliver were the leaders in the westerners' attack, they raced in, shot and were after the puck around like hawks. It was the style of play that dazzled the Tigers.

After about ten minutes of this stuff the Ontario champions came to life. Reaume combined neatly and went well in. Reaume tore up and let fly from the corner. A goal was claimed, but Reaume's shot was deflected by the net.

Bandrow grabbed the first goal when he intercepted a pass right in front of the Tiger net and slammed it in. Mattie hit the net at the other end, and McCarthy missed the open net on the rebound.

Tigers kept coming and Mattie evened the count by scoring from a scramble in front of Morrison. No more goals were scored until the end of the game. The Toronto fans gave the teams a great hand when they retired. The pushing style of the boys from the west took everybody's fancy.

Way Went Tigers. The Tigers were much the best in the second period. They ran down the attack two and three at a time and broke around the Selkirk defence with great regularity.

Tigers also shook off the checkers in the opening round. Reaume and Green worked in nicely, and Mattie was another that took a hand at the rubbing game.

Selkirk were unable to score, and their efforts were mostly from long range that Reaume handled with ease. The Tigers bulged the net four times during the twenty minutes and the score about indicated the margin in the play.

Hughes was not as brilliant as at the start, and Oliver was the most consistent worker for the western champions. Reaume worked well in and shot, and Green was in front to bat in the rebound. A minute later Green scored again when Roach raced in from a face-off and passed over to Green. Roach pulled a pretty play for the next. He went down alone and crossed over the defence before shooting. Roach also figured in the fourth tally. He carried it down and passed over to McCarthy, who beat Morrison from just outside the

FIGHTERS ENGAGING SPARRING PARTNERS

Managers of Willard and Dempsey Talk Over Plans With Rickard.

New York, March 18.—At an informal conference here tonight, the managers of the heavyweights Jack Dempsey and Willard, and their sparring partners, scheduled for July 4, with Promoter Ted Rickard, preparatory to arranging for preliminary training. Willard was represented by Ray Archer, while Dempsey's plans were explained by Jack Kearns.

Both managers stated that they were in this city prepared to engage sparring partners for their principals, and each carried a list of heavyweights from which it was expected they will be selected. Archer said that he was prepared to take at least two such partners back to Lawrence, Kansas, with him, when he leaves for Willard's home town at the end of the week.

According to the champion's manager, Willard was always a very physical worker and is a trifle below 270 pounds in weight. He is particularly desirous of getting sparring partners of about the height and weight of Dempsey, and in order to be acceptable they must be fast, hard-hitting, two-handed punchers. Willard will not use the heavy type of partner with whom he trained when he was preparing for Johnson in Havana.

The champion will do all his work at home in Lawrence, and he expects to be before the bout, when, according to the terms of his contract with Rickard, he will move to the scene of the titular battle. In the interim, however, Willard will find time to star in a moving picture drama, in which he will appear as the hero. He will be filmed doing his actual training work, will take part in a ring battle, and presumably will be the stipend for submitting himself to the camera will be \$100,000, it is reported.

Dempsey expects to leave for Palm Beach tomorrow for a week or ten days of rest before engaging in an athletic vaudeville tour a month, during which he will swing as far west as Kansas, and then by a southern route return to the east. Before he leaves he expects to purchase a large farm near Freehold, N.J., where the challenger will do some training, as may be necessary before moving on to the scene of the bout. Kearns said that Dempsey weighed 175 pounds at the start of his training, and has gained twelve and a half pounds, according to the altitude at which the bout is staged. He will begin serious training on May 1, and will have as sparring partners the remainder of the year.

Andre Anderson is the only one mentioned to date. Rickard plans to return to his Texas oil fields tomorrow, and will be absent from this city for several weeks. He stated positively tonight that he would not announce the site of the contest, the referee, or details, until April.

Meanwhile the Seattle men are preparing for the opening struggle of the big series Wednesday night. This morning Manager Muldoon trotted his champions out on the ice and put them thru their last hard session before starting the game. The Seattle boys tested his defence with Canadian play and planned the method of attack with which the Mets hope to humble the flying Frenchmen.

Representatives of U.S. and the Pacific of Regina tossed for clothes last night, and the westerners called the coin correctly and elected to play the final game Saturday night under the western code, which does not allow skating on ice, and permits of the use of unlimited substitutes.

The Mets in their various workouts have stamped themselves as a clever aggregation of puck-checkers, and Varsity School and Manager Higgins.

This speaker gradually is gathering his friends about him on the Cleveland team and the Indians began to look much like the old Red Sox. The former Boston players now are: Spink, Wood, Nunamaker, Thomas and Gardner.

Frank Baker, third baseman and leading batsman of the New York Americans, who previously announced business interests would prevent him from playing baseball next season, will rejoin the club after all, it is announced by Lieut.-Col. T. L. Huston and Manager Higgins.

The following delegates were chosen: Meers, Alexander, Hyndman and Ratcliffe. A team was entered in one of the local baseball leagues, and Mr. Hyndman was chosen as manager.

At a meeting of the Victoria Cycling and Athletic Club held last evening, it was decided that unless the club's delegates were admitted members of the C.W.A. this year's events would be considered the following cups will not be offered for open competition: Victoria Cup, Fisher Cup, Dunlop Cup, McCaffrey Cup and the Beadmore Cup.

Ruth, who had not signed a contract, had an engagement here early today to talk over terms with Harry Frazee, president of the club, but did not appear.

The players who sailed with Manager Ed. Barrow were: Pitchers George Dunt, Ray Caldwell, Sam Jones, Herbert Pennock and Patrick Shea; catchers Walter Schang and Norman McNeil, and outfielders Frank Glavin and Amos Strunk.

Canadiens VICTORS IN EXHIBITION CONTEST. Vancouver, March 18.—The flying champions of Montreal last night showed Vancouver hockey fans some reasons why they won the National Hockey League in three years. The Canadiens, a very brilliant team as Ottawa, and left last year's world champions, took the Millionaires in an exhibition game 4 to 3. It might well have been ten to three if the Canadiens had not been so generous in their scoring.

The club, despite the poor curling winter, had a very successful season. True they lost the Canada Life gold trophy, but they won the Curling Club trophy, and Murray Coates—reached the semi-finals of the Mansell-Mahoney trophy, between Guelph Royals and Lakeview. The club also won the Lakeview Curling Club trophy, which was won at the Brampton bonspiel by Ed. Allan's rink. In the club inter-rink games, three trophies are competed for yearly. Charlie Stron Rink, consisting of W. Robson, R. Williamson, and W. T. Graham, won the Mansell trophy, which was also figured in the finals of the Love's Cup, which was won by Alex. Keith's rink. The two finalists in this trophy are yearly entered at the home of the donor, which, needless to say, is the fit-bit of the curling season. Mr. and Mrs. Love's hospitality is spoken of everywhere as a curling club which has the Alex. Keith rink, which by the way, are all former Linfield boys.

Dr. Selery was returned the winner of the curling season, and as the curling club this year gave prizes for the first positions on the rink the doc also won. Mary Pritchard, the skip, W. J. Phillips for the seconds, and T. P. R. Chisholm won the Hurst trophy, which is given for first year men competition.

The club welcomed home three of the men from overseas, they being Jack Macdonald, Dick Mansell and Cecil McCurdy.

Successful Season At Lakeview Curling Club

Two New Trophies Will Adorn Club-Rooms This Summer.

The Lakeview Curling Club held their annual smoker and presentation of prizes last night in the club rooms. Despite the mild weather the club managed, by making their competitions bonspiel affairs, to run them all off, at the several were decided on soft ice. In addition some twenty or more members took part in the points competition last Friday night.
