

Cooney K Wins Feature Race On Sixth Day at Hamilton

Winner Second Choice in Betting—Salvage Favorite in Sixth Race is Outside the Money.

A beautiful fall day, a fair track, a big attendance and right good racing was the order of things at Hamilton yesterday when the sixth day of the Hamilton Jockey Club's fall meeting was completed. A big crowd, ten coaches heavily loaded, went from this city, making a fairly good start for the day. The favorites and four second choices scored.

Lehland, entered by N. B. Nichols of Waterloo, was not allowed to start in the sixth race, as he was not in the paddock 40 minutes before post time according to the rules. His identification is also requested by the judges.

The old roger, Ormonde's Right, took it into his head to run yesterday, and evened off with the first race, which was of one mile, beating the favorite, Right Royal, by a couple of lengths. The race was delayed the start, owing to the usual, and when the starter sprang he was slow to begin. Alphen Marchen was first at the quarter, then Haw kama took up the running and led to the turn into the stretch, when the Ormonde gelding came from behind and won with the little colored boy, Murphy, hand riding.

Chief Desmond Makes Good. The second race was over at 2:30, a year-old at six furlongs. Chief Desmond, owned by Barney Schreber, opened at 2-1 and was backed down to evens at post time. Bonite was next in command at three. They finished as follows: Chief Desmond, 1 1/2 lengths; Bonite, 1 1/2 lengths; and Alphen Marchen, 1 1/2 lengths.

Cardigan, Favorite, Runs Last. Six chasers entered the field for the steeplechase, the third race, which was over at 3:15. Cardigan was the favorite, opening at 2-1, but was not in the paddock at post time. The strong play on Coal Black Lady, who opened at 6 and closed at 2 1/2, was the main feature of the race. The black mare started to make a run, but was half the journey was covered. Billy Caster, always prominent, took up the running when Coal Black Lady was ahead, and led to the finish, winning easily from Picktime, who seems to be sounding into something. Cardigan showed at the Woodbine last spring. Another one of the old-stagers, Billy Ray, dropped in for the steeplechase. Cardigan was always in the year and did not seem able to get near the leaders on any race.

Cooney K Wins by a Head. The finish of the fourth race was one of the best seen in the history of the track. Cooney K, Avanteur and Botanist were the favorites. Cooney K, Avanteur and Botanist were the favorites.
