

SEIGEL'S OPERATING PILLS.

UNLIKE many kinds of cathartic medicines, do not make you feel worse before you feel better. Their operation is gentle but thorough, and unattended with disagreeable effects, such as nausea, griping pains, etc.

Seigel's Operating Pills are the best family physic that has ever been discovered. They cleanse the bowels from all irritating substances and leave them in a healthy condition. They cure costiveness.

These Pills prevent fevers and all kinds of sickness by removing all poisonous matter from the bowels. They operate briskly, yet mildly, without any pain.

If you take a severe cold and are threatened with a fever, with pains in the head, back, and limbs, one or two doses of Seigel's Operating Pills will break up the cold and prevent the fever.

Seigel's Operating Pills prevent ill effects from excess in eating or drinking. A good dose at bedtime renders a person fit for business or labor in the morning. The Pills be-

ing sugar-coated are pleasant to take; the disagreeable taste common to most pills is obviated.

When the tongue is coated, the head heavy and aching, an offensive taste in the mouth, the appetite poor, and the spirits dull, a dose of these Pills speedily changes this miserable state of things and supplants it by the exact opposite.

The wisest and most cautious of us are sometimes tempted to eat and drink too much, and to sit up too late at night. When we have been guilty of this indiscretion there is nothing in the world like Seigel's Operating Pills to speedily correct the unlucky results, and send us off to business the next morning with a clear head and an elastic step.

Briefly, it is no idle statement to make, that so excellent and scientific a combination of qualities places Mother Seigel's Operating Pills far in advance of any others yet offered for the relief of those ailments for which Pills are specially adapted.
