WILL BUY A
\$5 Pair of Boots

During this month I will sell out my winter shoes—and sell them quick, too. I lose money on every pair of shoes I sell during this Before Spring Sale, but it is better to do that than carry the shoes over until they are back numbers.

This is a shoe store of fashion, where gentlemen expect to get the very latest styles in the very best workmanship. You can see how we must wear out lots of shoes in order to keep this shoe store at it. Only about 500 pairs left! So hurry.

HENDRIE'S HORSES IN TRAINING.

Trainer Whyte Will Have His Charges in Fine Shape.

Hamilton, March 24.—The Canadian trainers don't have their horses ready for the spring meeting. It will be their own fault, as the weather has been so unfavorable, says the Spectator this evening.

Trainer Whyte, who is working the Hendrie horses on the track at Alliance, says that the horses will be in the best of shape when the racing season begins. He says that the horses are being worked in the morning and afternoon, and that they are in the best of shape.
