At Reading—Reading won the second straight game from Rochester here yesterday by the score of 3 to 1. The game was featured by heavy hitting on the part of the winners and fast fielding by the losers. Kelly was pounded for 12 hits but received fine support in the pinches. Tomorrow will witness the opening of the local baseball season and the Island Stadium has been subjected to a complete overhauling in honor of the occasion. The Reading Club, which has been more than holding its own since its disastrous start, will be the Leafs' opponent in the initial series. It is likely that Shea, who has won two games on he trip, will be Manager Duffy's pitching choice. Justin will probably work for the visitors. There will be a special ferry service. The reserved seat plan is on view at Moodey's, where combination tickets can also be obtained.

FORTY-FIVE ROUNDS

Brooklyn and Boston in Another Long Drawn-Out Game:

At Boston (National)—Boston and Brooklyn went into the nineteenth inning yesterday before Boeckel's single scored Sullivan with the run which gave Boston a 2-to-1 victory. Fillingim and Smith pitched all the way, and honors were practically even until Smith weakened in the nineteenth. Yesterday's game, folkwing the 26-innings tie between Brooklyn and Boston on Saturday, and Brooklyn's 13-innings game with Philadelphia Sunday, gave Brooklyn the new major league record of 58-innings play in three successive games. The previous record was 45 innings, played by Pittsburg and Brooklyn in 1917. The game yesterday was a duplicate of Saturday's contest up to the final inning, Brooklyn again scoring one run in the fifth and Boston tying the score in the sixth. Up to this time Brooklyn hit Fillingim freely, while Smith was effective. As the game progressed, Fillingim proved invincible and Smith gradually lost effectiveness. Both teams fielded brilliantly, except in the fifth, when O'Neil's wild throw to third proved costly to the Braves. With one down, Smith and Olson singled. Neis hit in front of the plate and Smith was safe at third on O'Neil's throw. Smith scored on Johnston's single. Passes to Powell and Pick and Mann's single filled the bases for Boston in the sixth. Powell was forced at the plate on Sullivan's tap to Johnston, but Pick scored on Holke's sacrifice fly. In the nineteenth, with one out, Sullivan singled, went to third on Holke's single, and scored when Boeckel hit the first ball pitched to right. Johnston's fielding at third was especially noteworthy. Score: R. H. E. Brooklyn. 000 010 000 000 000 000 1-2 13 2 Batteries—Smith and Miller; Fillingim and O'Neil.

At Philadelphia—Philadelphia pounded Nehf for 21 hits yesterday, winning easily from New York the third straight game of the series and the locals' fifth straight victors. The score was 9 to 6. Meusel was the leading batter of a heavy-hitting day, Stengel being the only local unable to hit safely. Score:

New York 3 0 0 0 0 0 0 3 0—6 9 1 Philadelphia ... 3 1 0 0 0 0 4 1 0—9 21 1 Batteries—Nehf and E. Smith; Meadows and Tragresser.

At Cincinnati—Chicago won both games of the first double-header of the season here yesterday, 2 to 1 and 5 to 0. Cincinnati secured only one run off Vaughn, who also drove in both of the Chicago runs in the first game with clean hits. In the second game, Alexander held the Reds safe at all times, not allowing a runner to reach third base. The scores:

MAKERS OF GOOD CLOTHES

Economy in Clothes

The desire for economy in clothes seems to be widespread. It is something we have been trying to encourage. We consistently urge economy. We believe that people who do not need clothes should not buy them. There have not been enough "good" clothes to go around, and anyone who can get along with the clothes he has, is rendering a public service.

We have also said that if you do buy clothes, for reasons of selfrespect or other feelings,---you should buy the kind of clothes that will be the least wasteful. Economy in clothes is not simply in paying a low price for them; it is not in getting a certain amount of cloth and tailoring; ---for clothes are something more than a mere covering for the body.

> You'll find true economy in Ed. Mack clothes; we guarantee that they'll give you all the value, wear and style you expect to get in good clothes.

TRIAL BY BUGLE I

Good Mile by King's Plater, With the Race Less Than Three Weeks Away.

Many trainers at the Woodbine still refrain from indulging their pupils in work of any distance, and all the moves recorded yesterday were for less than a mile, with the exception of the impressive mile run by the plater, Bugle March, in company with Ammunition. Breaking from the three-quarter pole, the pair ran as follows: Quarter in .24 2-5, three-eighths in .36 1-5, half in .49 4-5, five-eighths in 1.03 1-5, three-quarters in 1.17 4-5, easing up towards the end of the mile in 1.47 2-5.

Bugle March is conceded to have a chance of annexing the coveted fixture on May 22, so think friends of Trainer Joe Nixon and Owner Thos. Riddell, while others, less optimistic, regard him as a sure contender. Trainer Nixon is working three other platers, in Pink Ardoop, 3, a chestnut gelding by Rosturtium—Diffident, owned by J. Greenwood, Marie Freeborn, 4, bay filly, by Ben Hodder—Euranie, owned by Wm. Hammall, and Dr. Warren, 5, bay gelding, by Harvey—Irene A., owned by Willie Wilson.

on.
Trainer John Graver has two in train Trainer John Graver has two in training—the handsome chestnut colt. Uncle John, by Argyle—Spring Maid, and a chestnut filly by Anmer, that greatly resembles him. Uncle John is in superb condition, carrying, as usual, considerable flesh. By winning a sparkling race that produced juicy odds at Bowie last winter, this good-looking fellow forfeited his eligibility to the King's Plate. He ran fourth last year.

Trainer Graver also has a promising nine-months-old filly by the King's horse and out of Spring Maid, dam of Uncle John, that should develop into a big, handsome mare. Long-coated and half-starved looking, the youngster only recently came into the trainer's hands, a sorry-looking spectacle, but is fast improving. She is a jet black, has a short back, long neck, but is rather growthy in appearance.

Other moves of yesterday were: Rock Silk, five-eighths in 1.05 2-5; Jim Petrie and Corn Broom, half in .51 3-5; Old Pop, half in .53 3-5, and Charles Crew, half in .53 2-5.
