Free Goods require to be entered at Customs as well as Dutiable Goods. Goods or Merchandise shipped to the United States, if of the value of \$1.00 or more, require a certified Consular Invoice. Consular's Certificate is always required to pass Breeding Stock; and by the new U. S. regulations emigrants or settlers effects, which hitherto the owners affidavit before a J. P. was sufficient to pass them, now require Consular's certificate. Shipments via U. S. for Manitoba and British Columbia, do not require a Consular's certificate.

*Includes the horses, harness, and wagon in use by the settler prior to and at time of moving
 §Must generally be animals with pedigrees, &c.
