Dear Mr. Scott

I thank you for your letter of 28<sup>th</sup> ulto. I have been living Ashdown Green, I understand work will be in progress this week. Naturally at present wages are very low, which I have pointed out to Mr. Price, so that the men should not try to take advantage of it being a "Government job". I will certainly advise you promptly if the work is not going along as well as it should. I will be on the spot quite a lot.

Very kind regards,

Sincerely Yours,

Demian C. Scott Esq. *Whitcomb*
