## GOV. GENERAL'S VISIT

Lieutenant Governor Tweedie, accompanied by his private secretary, R. S. Barker, was in the city yesterday and had an interview with the mayor regarding the arrangements for the reception of Earl Grey and Lady Grey on their visit to the city next month. It is understood that the programme, as already laid down, will be adhered to with the exception that the governor general will meet and greet the Canadian Club in the assembly room of Keith's theatre instead of in White's restaurant and that a display of fireworks will be given in Rockwood Park, the idea of illuminating the harbor having been abandoned.

Arrangements have also been completed for the trip up the St. John river on the steamer Elaine to Fredericton. Invitations have not yet been issued but it is understood that the party will not exceed forty people. The governor general, Lady Grey and their excellencies two daughters and two members of the staff are expected to make the trip, leaving Indianston on the morning of Aug. 15. The other members of the party will be the lieutenant governor, Mrs. Tweedie and staff, the speaker of the house of assembly and Mrs. Osman, the members of the provincial government and their wives, J. D. Haron, the mayor and Mrs. Sears and Miss Sears, and the five aides on the entertainment committee. The lieutenant governor left for Chatham last evening. His honor and Mrs. Tweedie will probably spend a few days in P. E. Island next week.

## DAVID RITCHIE HAS TWO WIVES

The Terrible Surprise That Came to an Erin Street Man Yesterday.

David Ritchie who with his wife lives at 182 Erin street and whose vocation is that of a model in the employ of J. E. Wilson Co. Ltd., had a surprise in store for him yesterday when a woman to whom he had been married, whom he had believed was dead, called upon him. This woman whose name was Mary Jane Kane, says that she has merely come here to see her son who was a baby when she left here twenty years ago, after a disagreement with her husband. The son, Michael, who was adopted by a man named Hanlon, is married and has a young son. Mrs. Ritchie assured all that she has not come as a trouble-maker but to see her son who was a baby when she left here years ago the took with her two daughters. The elder, Lizzie, is married to an actor, and is herself an actress. The younger died four years ago. When in 1888 David Ritchie married Carrie Anderson, he believed himself a widower. Mrs. Ritchie No. 2 feels that Mrs. Ritchie No. 1 will go back to the "Hub" and all will be well.

## July Rod and Gun

The July number of "Rod and Gun and Motor Sport" has just come to hand. It contains a fund of clever articles that have to do with the gun and rod and has so excellent matter with reference to Game Wren and the use of bounds to hunt the deer. Dr. Murdoch J. W. Munro, Roy D. Almoe and Samuel H. McKee discuss the pros and cons in a very interesting manner. A story of "A Boy's Camp in the Laurentians," by C. B. Fowler is very interesting. "The Hudson Bay by Canoe" contains valuable information besides holding the reader's close attention. In noting the death of Daniel Taylor, a great dog fancier and contributor to "Rod and Gun and Motor Sport," the magazine gives its readers a sketch of the deceased, dealing with his fondness and wide experience with dogs regarding which he was an acknowledged authority. The contributions on game, large and small and the trips of fishermen to the best fishing centres are breezy and refreshing. From cover to cover the July number is well worth perusal.

## David's Preliminary Examination

Fredericton, July 22 - The preliminary examination of Tom David, the Assiniboine charged with murdering his wife, will be called for the defence. The case will be heard in the police court tomorrow morning. Five witnesses, including Dr. Rankin, Grant and Griffiths, of Woodville, and two Assiniboine have been subpoenaed to give evidence and will arrive here by the western train.

It is not likely that any witnesses will be called for the defence. It seems to be the general impression here that Mr. Hazen will admit the shooting and try to show that his client at the time was suffering from a brain storm, brought on by domestic troubles.

British steamship Alexandria, Captain Daniel, now on her way to Liverpool from this port, took away 2,501,839 feet of lumber.

## Fireworks Tonight

All the attractions, including the Shoot-the-Chutes, Piers Wheel, Merry-go-Round, Boating, Canoeing, Automatic Swings, etc., will be in operation every afternoon and evening.

## DON'T FORGET

A Fish Course Dinner will be served at the restaurant pavilion every Tuesday and Friday evening, from 6 to 8 o'clock, price, 40 cents.
