Kerry Men Beat Limerick at Gaelic Football.

LIVING UP FOR GAAELIC FOOTBALL AT CELTIC PARK.

NEW YORK, Sept. 18.—There is a sport that might be introduced at some of the colleges in place of the old fashioned brutal game of football, not because of its athletic qualities—far be it from that—but in accordance with the idea of having as large a number of men as possible enjoying a sport at once. That game is the Gaelic method of chasing the pigskin. If any of the theorists who derry sports that

MARATHONS AND PICKED TEAM

Weeks to Play Dan Britt's Crack Aggregation on Saturday on Victoria Grounds—Don McEachern Likely in Box for All Stars.

Arrangements were completed last night for a game on the Victoria grounds on Saturday between the Marathons and D. J. Britt's picked team, negotiations for the Marathons and St. Peter's game having fallen through. Saturday's clash should furnish the best thing in the ball line this season. Britt's aggregation will be composed of the best players in the city. Don McEachern, who, with Allan McGuinness, is in the city after having finished the season with their respective teams, will figure in the combination.

With the "Candy Kid" in the box for Britt's boys, the Greeks will have a tough proposition, as McEachern has shown his ability to handle the ball. The Marathons, on the other hand, are playing well and are sure to make the picked team travel some to beat them.

O'Neill to the White Sox.

Tip O'Neill, who has been playing with the Minneapolis American team, will finish the season with the Chicago White Sox team.

National League.

At Cincinnati—Chicago, 2; Cincinnati, 1 (10 innings).

At Brooklyn—Brooklyn-Philadelphia: rain.

American League.

At Detroit—Detroit, 3; Chicago, 2. Second game—Detroit, 3; Chicago, 2.

At Philadelphia—Philadelphia-New York: double, rain.

At Cleveland—Cleveland, 2; St. Louis, 0.

At Washington—Washington, 2; Boston, 1.

Eastern League.

At Jersey City—Montreal-Jersey City postponed, rain.

At Baltimore—Baltimore, 1; Buffalo, 1 (called in ninth, darkness).

RAIL TALK.

"Bill" Dineen continues to pitch good ball.

Lajoie will again manage in Cleveland next season.

Schulte leads the Cubs in batting, McFarland the White Sox.

Washington has landed two double headers this season, both from Boston.

Columbus and Toronto ought to make a fine spectacle in a post-season series.

Three New York Americans have been the Athletics more than any club this season.

Honus Wagner bids fair to turn a century of runs before the season is over. He is in his nineties now.

This has been the most successful season ever enjoyed by the Brooklyn Club. The profits are stated at \$40,000.

Harry Davis of the Athletics is the home-run hitter par excellence in the American league. He has seven to his credit.

Secretary Navin has purchased a 40 per cent. interest in the Detroit club from Mr. Hawkey. The price stated was \$25,000.

The St. Louis Nationals did not win a game in Pittsburgh this season. In three seasons they landed but three games in that city.

Martin Walsh, the new Cub pitcher from Danville, Va., is an iron man. He pitched and won three double-headers during the season.

Honus Wagner leads the hitting for extra bases in the National, and Dave Brain is giving Lumley of Brooklyn a close run for second place.

Ed Grillo thinks Frank Farrell let a bang-up manager get away when he let McGuire go to Boston. Mac had no chance to manage in New York, and then, had he secured the berth, there is no saying he would have been successful. One can never tell in baseball.

There were nine shut-outs in the New York-Brooklyn series this season, not including a 15-inning 0 to 0 game. In the 23 games played, New York made 62 runs to 48, landing 12 games to 10. New York landed five games by a single run to six

GREAT RACING AT CAPITAL

Northern Spy and Simassie Winners in the 2.21 and Free-for-All Respectively.

Simassie added another to her long list of victories here this afternoon by winning the great free-for-all in straight races, defeating Terrace Queen, her most formidable rival, for the supremacy of the maritime turf. It was the greatest racing exhibition ever seen here, and half a second was clipped from the maritime record of 2:14 1/2, held by Lady Bingen.

In the 2.21 race the colors of Miss Letha, the local sensation of the season, were lowered by Northern Spy after the mare had captured the first heat. The winner made a new mark of 2:21 1/2, in the second heat. The race was attended by a crowd which numbered close to 2,000 persons, the largest that ever turned out to a turf event in this city. Beauty was a trifle strong at times. The track was in fine condition, and everything passed off in a satisfactory manner.

Terrace Queen and Miss Letha were favorites in the betting and the local sport, who were the chief backers, lost heavily on the result.

SONOMA GIRL AGAIN WINS

Showed the Great Highball the Way Once More After Going a Furious Clip.

Columbus, Ohio, Sept. 18.—Sonoma Girl, tired by the heavy footing this afternoon on the Columbus Grand Circuit track, finished a neck ahead of Highball in the second heat of the Trotting Handicap, and thereby clinched the victory for which she made a start on Tuesday.

The crack pair of trotters set a furious clip to the ball, and the result was a surprise to many of the spectators.

Highball, who had been doing so well in the 2.00 race, was out of the race in the 2.00 race, being right up to the wire when the Sonoma Girl won the heat of the race. Before it was started the 2.00 race, the first choice in a lot of sixteen trotters was the Sonoma Girl.

COATES WINS FROM ROSS

In Harbor Championship Race Last Evening—Contest Close Throughout.

W. J. Coates, of the Neptune Rowing Club, won the harbor championship for 1907, defeating James Ross last evening after a very pretty race. The winner came over the line about a length and a half ahead. In spite of the fact that the time set for the contest was within the usual meal hour, there was a large crowd out. The wharves from the starting line to Ross's Point were lined with people, who cheered their favorite as the men passed. There were quite a few ladies among the crowd, and these evidenced as much enthusiasm as the men.

C.A.A.U. STILL IN PECK OF TROUBLE

TORONTO, Sept. 17.—There is trouble in the camp of the C. A. A. U. At Saturday's games the Irish-Canadian Athletic Club won the championship by one point over the West End Y. M. C. A. claims that Tom Longboat was not eligible to run for the I. C. A. C. as he had not been released by the West End. The C. A. A. U., however, said he now belonged to the I. C. A. C., and this is where they intend to have him race. Mr. Ashley says that unless he gets his just dues from the C. A. A. U. he will bring the matter up before the Y. M. C. A. At the West End take that stand they threaten, they will demand that the Y. M. C. A. as a body will secede from the C. A. A. U. Longboat's five points for the I. C. A. C. on the championship, thus the kick.

McGILL IS GETTING READY

With the long end of September in the rear, McGill realizes it is high time for the pigskin to make its appearance at the campus.

At a business meeting of the Football Association yesterday, it was decided to take immediate steps towards the organization of a team. Many of last year's team will be back at the University for the opening of the season, the scrimmage it is feared, will have but one representative of last year's champion team, Sift. Father Quinn is having the men are chosen for the back division. Captain Pare, Winsor, Kennedy and Kendall will be in the line of play on the wings. From the husky appearance of many of the new men about college, it looks as if the game could be easily filled in and with coach Hamilton at the helm, the Intercollegiate trophy runs poor chances for a trip this autumn.

JUST LISTEN TO THIS

Thousands Will Benefit if Statement Made is Only Partly True.

It may be that some persons will be inclined to doubt the statement made by an eminent authority, at a recent meeting, that with a mixture of dandelion, kargon and earsaparrilla, he would give prompt relief to any sufferer of rheumatism or the usual forms of backache, caused by inactive, clogged kidneys, yet many cases of long standing that had been entirely relieved were cited to prove the truth of his assertion. The same authority further stated that many cases which failed to yield to the healing waters of the famous health resorts, or the usual remedies prescribed, salicylate of soda, potash, colchicum, etc.—were readily relieved by the use of this simple mixture—Fluid Extract of Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful dose after meals and at bedtime.

A well-known druggist, when approached upon the subject, stated that while his prescription, as written, is new, the ingredients are continually prescribed by the best physicians, and any good prescription pharmacy has them; they are inexpensive and harmless to use, and are mixed by shaking well in a bottle.

If the claims, made for this mixture, are only partly correct, it would seem that no sufferer here could afford to leave the prescription untried.
