JURY FINDS "BIG TIM" IS GUILTY

Plotting of Big Mail Robbery in Chicago—A Spectacular Career.

Chicago, Nov. 9.—"Big Tim" Murphy, union leader, former state representative and alleged gunman, was found guilty by a jury in Judge Landis' court, plotting the \$360,000 mail robbery at Dearborn station last April.

Vincenzo, Comano, union president and protégé of Murphy, Edward Gelman, alleged driver of the bandits car, and Paul Volanti also were convicted. Nearly all the loot was recovered by postal inspectors in a trunk in the garage at the home of Murphy's father-in-law, who, with several other defendants is awaiting trial.

Murphy, a "back of the yards" product with a spectacular career in a union and political circles, was arrested with Comano and several others last year, charged with the murder of "Moose" Enright.

Montreal, Nov. 9 (1230).—This morning's session was not active, and the close was quiet. With the exception of a point drop in Detroit United Railway, which closed at 62.12, an advance of 8.8 of a point in National Breweries to 112.2, no changes were recorded in any of the leaders.

IN MEMORIAM

KERRIGAN.—In sad and loving memory of our beloved daughter, Grace Hamm, wife of R. Kerrigan, who went home November 9, 1918.

Sweet Grace! never was name so beautiful.

For all through thy bright sunny life, Thou didst shine like a pure ray of sunshine.

As daughter, and sister, and wife,

Thy lamp ever ready and burning,

Thy flame gleaming steady and bright,

Till the Bridegroom was heard gently calling.

"Come, loved one—come into My light."

Miss Thee? Ah, God knows how sorely! But we smile through the mist and the pain.

When we think of the blessed home gathering comes never again.

So we wait just "a little while" longer, Till God calls us home to His place.

Then may He'll send us His angel To lead us—our own darling Grace.

FATHER, MOTHER AND SISTERS.

DONOVAN.—In loving memory of John (Jack) H. Donovan, who departed this life Nov. 9, 1918.

Award in C. N. R. Wages Dispute is Landed Minister REPRESENTATIVE OF RAILWAY DECLINED TO SIGN IT

Decision Sustains Reductions in Salaries Above \$125 and Recommends Toronto Accounting Scale for Others—Question of "Tips" on Sleeping and Dining Cars.

Ottawa, Nov. 9.—(Canadian Press) The award of the board of arbitrators on the wage dispute between the Canadian National Railways and its employees, members of the C.N.R.E., handed in this morning to the minister of labor, is signed only by the chairman, Byron Stauffer, and Harold Fisher, the representative of the railway company, Geo. D. Kelley, dissented. The award sustains the reductions in the salaries of employees being paid more than \$125 a month, but in the case of those employees receiving less, it recommends that the schedule worked out by the railway for its lower paid employees in the Toronto accounting department be generally applied.

Instead of a flat 12 1/2 per cent reduction of \$5 for those receiving \$80 a month, \$50 for those receiving from \$81 to \$95 a month, \$10 for those receiving from \$96 to \$125 a month, \$12.50 for those receiving from \$126 to \$150 a month, and \$15 for those receiving \$151 a month and over.

The award sustains the reductions in the wages of stenographers and in the wages paid sleeping, dining and parlor car employees. With regard to sleeping car porters and dining car waiters, the board declares its willingness to make a supplementary report dealing with their wages if the management and the employees will "seriously undertake the pioneer reform of abolishing gratuities."

In so far as transient labor wages were concerned, the board held that the rates fixed by the railroads were in accordance with the present wages in the open market.

In the case of all hourly paid men other than transient laborers, such as loaders in stores, freight truckers, porters, locomotive cleaners, asphalt men, fire builders and coal men, the board recommends that the maximum decrease be not greater than ten per cent of the wages paid before the reduction. Decreases of less than ten per cent in the case of these employees should stand, the board holds.

This ruling, the board declares, should apply to all additional classes of a similar character to the foregoing.

CELEBRATION AT ST. GEORGE'S A Happy Time Last Evening in New Carleton Church Hall.

St. George's centennial was celebrated last night in the new church hall by a social, Rev. W. H. Simpson presiding. After the recitation of address, J. L. Robertson gave readings, and Mrs. Stanley Harrison sang with pleasing effect. Miss M. Beatty acted as accompanist. Rev. Walter P. Dunham, rector of the Church of the Good Shepherd, Fairville, rendered the greetings and best wishes of his church. MAYOR HILAN SETS RECORD (Continued from page 1)

Franchise on the two lines had expired and the outer ordinance was submitted after the company declined to sell the lines at a price offered by the city. The lines are to be made a part of the 100 ft. municipal car system.

Authorization for the council to experiment with "trackless trolley" transportation and a proposal to revert to a twenty-four ward system with an enlarged city council, apparently failed to sell the necessary sixty per cent.

Other Results.

New York, Nov. 9.—One state—The state of Maryland has passed from Republican to Democratic control as a result of yesterday's elections as shown in available returns this morning.

In Maryland, the entire lower house of the legislature and its out of 97 members increased their control in both houses. In Kentucky the Democrats regained control of the state legislature, lost to the Republicans two years ago.

Mrs. Mary Flannery of Catesburg, on this morning's returns had apparently won the honor of being the first woman to be elected to the Kentucky legislature.

New Jersey Republicans claimed to have elected forty-one assemblymen out of a total of sixty seats contested, and the party line up in the senate would stand as it did last year—13 Republicans and 6 Democrats.

The "wet and dry issue" played a prominent role in that state, the Republicans standing for strict enforcement of the state prohibition act, while the Democrats favored its modification or repeal.

Only one governorship hinged on yesterday's balloting, Virginia electing State Senator E. L. Tingle, Democrat by a large majority over H. W. Anderson, Republican.

The voters of Ohio apparently were heavily in favor of the soldiers' bonus proposal, announcement being made by Secretary of State Smith that, in his opinion, it would be carried by 200,000.

GRAVE CHARGES MADE AGAINST U. S. OFFICERS

Washington, Nov. 9.—The private soldiers and sailors legion today in a letter to Secretary Weeks declared that "unless the records of the war department have been tampered with, a scrutiny of them will furnish 'all the evidence necessary to prove conclusively that tyranny, brutality and abuse were the rule and not the exception in the attitude of officers toward enlisted men, in the American expeditionary force."

The letter was written in connection with Mr. Weeks request that the American Legion assist in securing facts relative to alleged mistreatment of soldiers.

Company funds, accumulated to purchase extra rations for the enlisted men, were "in a large number of cases embezzled by the officers who had them in their possession and were dissipated by them in drunken orgies with women and wine," the letter charged.

A wounded man, it declared, was sent by a commanding officer to a term at hard labor, without trial for having refused to do "ward labor."

The suggestion was made that Secretary Weeks extend "to all former enlisted soldiers regardless of whether or not they are members of any organization" his invitation to come forward with evidence.

NURSES PLAN DANCE.

The St. John Chapter of the Graduate Nurses' Association of New Brunswick have plans completed for holding another of their delightful dances, the proceeds of which will augment the fund to be used in behalf of a small boys' ward in the projected hospital improvements. This will probably take the form to be given the Anna Stammers memorial. All St. John remembers that Anna Stammers was a victim of a Hun submarine when the hospital ship Llandovery Castle was sunk. The nurses are a very busy band of young ladies, and naturally do not have as much time to spare as others to carry out these extra patriotic duties, but in the past the public has always supported their entertainments handsomely.

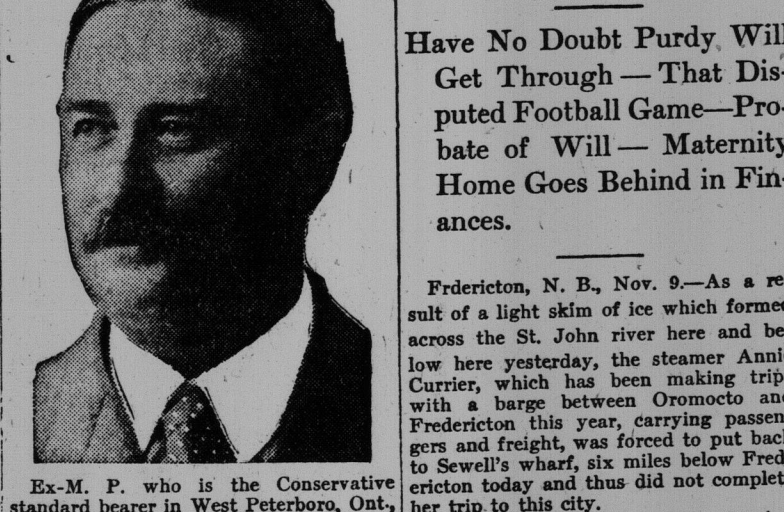

IN WALL STREET.

New York, Nov. 9.—(1030).—Resumption of trading on the stock exchange after the election day recess was characterized by further professional buying of oil and equipments, the remainder of the list recording no material changes. Royal Dutch and Houston Oil gained 1 1/2 and 1 5/8 cents, respectively, and Baldwin and Haskell and Barker were one point higher with Delaware, Lackawanna and Western and United Fruit. Specialties eased slightly on further pressure against food and rubber issues. Local utilities were ignored. German marks showed a fair rally on the higher quotation from London.

It is announced that the King Paper Co. and Monarch Paper Co. of Kalamazoo, Mich., and the Burden Paper Co. of Otago are to amalgamate in a \$6,000,000 concern.

She says she has no reason to complain of his conduct in her home and says that he is a good son in every way. She blames the confusion of the occasion upon a young man in his employ, who, she says, entered the house while under the influence of liquor and sought money from her son.

After a preamble in which is set forth that the present legislation is inadequate, an appeal is made to the citizens of Canada, regardless of party affiliation, to work and vote for only those candidates who will pledge themselves to enact a law to prohibit the manufacture, importation, exportation and inter-provincial transportation of intoxicating liquors for beverage purposes.
