"Pape's Diapepsin" makes Disordered Stomachs feel fine at once!

Ends Stubborn Coughs in a Hurry For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.

You'll never know how quickly a bad yough can be conquered, until you try this famous old home-made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magic. It takes but a moment to prepare and really there is nothing better for coughs.

Into a 16-oz. bottle, put 2½ ounces of Pinex (50 cents worth); then add plain granulated sugar syrup to make 16 ounces. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, this mixture saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes oleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm this out and then disappear altogether. A day's use will isually break up an ordinary throat or hest cold, and it is also splendid for oronchitis, croup, hoarseness, and brondail asthma.

The best thing to use is just plain mulsified cocoanut oil, for this is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else all to pieces.
