PRINCESS MARY OF AGE.

Princess Mary celebrated her twenty-first birthday recently, and in reply to a congratulatory message from the Lord Mayor of London, telegraphed:

"I am deeply touched by your lordship's kind telegram, and would ask you to convey my warmest thanks to the citizens of London for their congratulations and good wishes on the occasion of my twenty-first birthday. I much appreciate the reference you make to the interest I take in all charitable work, and I join with you in the regret that I should take place at a time when all hearts are concentrated on this great and terrible war."

Amongst the birthday gifts received by Princess Mary was a pearl necklace from the Prince of Wales. Other gifts came from the king and queen, from her brothers and other members of the royal family.

So Fine and So Shapely

The finest of cashmere, cottonized lilies and pure silks—beautifully soft and luxuriously finished—

Mercury Hosiery

is in many ways superior to those fine lines of hosiery imported from abroad before the war. It is knitted on wonderful new machines in a big, new, bright and airy daylight factory, where the welfare of the employees is given every consideration. Consequently the better class of help is attracted to the most skillful workmanship put into Mercury Hosiery.

Ask your dealer to show you this new, shapely, full-fashioned, seamless hosiery. Black, white and all fashionable colors. No other hosiery knitted or fashioned the same.

Mercury Mills, Limited

Hamilton, Canada

Makers of high grade hosiery for men and women. Also underwear for men, women, children.

Watson's UNDERWEAR

Those who appreciate style, fit and finish in their underwear, invariably ask for Watson's. The Spring Needle Ribbed stitch gives our garments added softness, greater strength, and longer life. Made for men, women and children in all styles, sizes and fabrics.

SWISS CHARD.

There is one vegetable not yet mentioned in this series and very little known to Canadians, that should really take a prominent place in the war time garden, that is to say, Swiss Chard. It is a succulent vegetable, easy to grow, easy to cook, easy to can. No vegetable gives more bountiful returns for a small amount of labor or offers a greater variety of uses. A row twenty feet long planted about this time will give an abundant supply for a family of five for the whole season if only the outer ribs are cut each time and the remainder of the plant is left to grow.

With the price of asparagus out of reach of ordinary mortals, Swiss Chard is really an excellent substitute. It can be served as a hot vegetable with sauce, or as a salad with French dressing or mayonnaise. The young leaves can be cooked in the same way as spinach and the largest ribs cut in small pieces and cooked like celery. Or again, they can be cut in five-inch pieces, boiled for from twelve to fifteen minutes and chilled before serving.

Parade and Review of Eight Corps in Afternoon

Evening Exhibition

Rothsay Collegiate School Wins Macdonnell Cup—Mayor Hayes Presents Trophy For Second Corps in Competition

That the spirit of the men who went overseas with the first contingent, from this province, and with the Fighting 39th, is not dead in the younger generation, was demonstrated yesterday in a forcible manner when eight veterans and executed difficult manoeuvres without the slightest hesitation.

Captain B. Robertson Black, organizer and inspector of cadets, was largely responsible for the splendid parade yesterday, taking a personal interest in it apart from his official duties and awarding prizes in order to make the competition keener.

The eight corps left in on King street east, opposite the court house at 9 o'clock. There were present Captain Black, the organizer and inspector; Lieutenant-Colonel A. H. H. McNeill, acting G.O.C. M. D. No. 7; Major S. S. Wetmore, D.A.A., and Q.M.G. of the district; and other staff officers. Lieutenant-Colonel J. L. McAvity, formerly O. C. 20th Canadians and now O. C. of the N. B. Depot Battalion also honored the cadets by his presence. Lieutenant-Colonel Powell shook hands with each of the corps commanders and expressed a word of cheer and good wishes, after which Captain Black addressed the boys.

The St. Andrew's cadets, then led off in the parade the other corps following in the following order: St. Peter's, Moncton High school, Knox church, St. Malachi's, Rothsay Collegiate school, Moncton Killies, King Edward school, and West St. John. The band of the Depot Battalion brought up in the rear.

When the corps arrived back at King street east, Captain Heron, G. S. O. M. D. No. 7, who was official referee conveyed the result of his examination to His Worship Mayor Hayes. He awarded the prizes as follows: Rothsay Collegiate Cadet Corps, 1st; Aberdeen High school, Moncton, 2nd; St. Andrew's and Knox church corps tie for 3rd place. Captain Heron stated that if it were not

LINEN ROOM

Manchester Robertson Allison, Limited

for the fact that his examination was in a competitive event he would recommend each and every cadet corps participating for special mention for discipline and ability to manoeuvre.

Eight teams took part in the rifle shooting competition, after the parade taken from Rothsay, St. Andrew's, Knox, St. Malachi's, St. Peter's, King Edward and West St. John corps. Rothsay and St. Andrew's tied for the first place with 114 out of a possible 126. Captain Black awarded two prizes, one for each corps in the event.

The cadet corps from Rothsay, Sussex, Moncton and Dorchester were entertained at dinner and tea at the Y. M. C. A. building by the ladies of the local auxiliary of the School for the blind and the Ladies' Auxiliary of the Y. M. C. A. Presented Trophy.

Mayor Hayes in presenting the trophy spoke of his high regard of the work by the cadet corps and the great advantages that accrued from its application not only physically and in a military way, but from an educational standpoint. During his address he said that he had decided to give a cup to be known as the Hayes Trophy to the corps taking second place. Lieutenant Colonel Powell, acting G. O. C. M. D. No. 7, also spoke in complimentary terms of the work of the corps from a military standpoint and reasoned from years of long experience. Major G. McR. Johnston announced that he would present two trophies, one each for the corps that tied, St. Andrew's and Knox church.

The drill and physical training exhibition given by the Cadet Corps in the evening, on behalf of the Halifax School for the Blind, was a very fitting close to their splendid exercises on Empire Day. A large number of people were present in the St. Andrew's curling rink to witness the exhibition and to see the wearing of the prizes for the day.

The veteran cadet instructor of the maritime provinces, Major Magee, had entire charge of the whole parade, and of the exhibition exercises under the general management of Captain Robinson Black and under their direction the following programme was carried out: Selection—Depot battalion band. Physical training—School cadets. Physical drill—St. Andrew's and Knox church cadets. Selection—Depot battalion band. Gymnastic exercises—Rothsay Collegiate cadets. Highland fling—Master and Miss Gibbs. Company drill—Rothsay College and others.

The following is quoted from the instruction book in each Ford Car:

"There is nothing to be gained by experimenting with different makes of plugs. The make of plugs with which Ford engines are equipped when they leave the factory are best adapted to the requirements of our motor."

Ford Equipment Since 1911

For seven years Champion "X" has been and is now the spark plug equipment on more than one and a half million Ford cars. This is the best proof of the service given by

Champion Dependable Spark Plugs

Champion dependability is built into every plug and is primarily due to the asbestos-lined, copper gasket on each shoulder of the carefully tested porcelains. These patented gaskets cushion the porcelain against cylinder explosions and prevent cracking under extreme temperature changes.

When you replace the spark plugs in your Ford get the plug that knowledge and experience have selected as giving a completely satisfactory service.

"CHAMPION" on the porcelain means a dependable spark plug for every make of motor and is backed by the guarantee of "Absolute satisfaction to the user, or free repair or replacement will be made."

At auto supply dealers and garages everywhere.
