NORTON WOMAN DRANK POISON

Norton, N. B., Jan. 23.—As the result
of taking carbolic acid, it is said in mis-
take for medicine, Mrs. Ernest Myers, of
this village, hovered between life and
death this morning, though it is believed
that she will now recover.

Mrs. Myers has been in ill health for
some time and about 10 o'clock this morn-
ing, it is told, she took a dose from the
bottle containing the deadly poison, which
was among other bottles near by.

Dr. H. G. Polking was hastily summoned
and worked for some time over the un-
conscious woman. For a time her life was
despaired of but at a late hour last night
she had regained consciousness and it was
considered that she would recover.

Mrs. Myers is the wife of Ernest Myers,
carpenter, and she is the mother of eight
children, the eldest of whom is about
twenty and the youngest about four.

To clean looking glasses or windows
polish with tissue paper, which gives a
brilliant shine, while giving a
brilliant shine to the glass.
